EDUCATION

DATE

M.S. Clinical Research Design & Statistical Analysis
University of Michigan, Ann Arbor, MI

2005

M.S. Medical Sciences
Shandong Medical University, Jinan, China

1988

M.D. Shandong Medical University, Jinan, China

1985

POSTGRADUATE TRAINING

Stanford Clinical Faculty Development Course, presented by James
Kruer, MD, School of Medicine, Wayne State University

4/2017

Fellow, Certificate Program in Practice-Based Research Methods
*Inaugural program that sponsored by national collaboration of practice-
based research network (PBRN) leaders that seek to develop a new
generation of investigators/leaders within PBRN community*

9/2015–7/2016

Summer Training Program, University of Michigan, Ann Arbor, MI
A month-long intensive training (6 credit hours) in Questionnaire Design and
Hierarchical Linear Modeling.

7/2007

*As a part of the research training components of
American Cancer Society Mentored Research Award*

Summer Training Program, University of Michigan, Ann Arbor, MI
A month-long intensive training (6 credit hours) in Qualitative Research
Methods and Mixed Methods. *As a part of the research training
components of American Cancer Society Mentored Research Award*

7/2006

Trainee, National Institute of Health (NIH) K30 training program in clinical research, University of Michigan, Ann Arbor, MI <i>K30 is a NIH-funded two-year postgraduate master's-level comprehensive clinical research training program consisting of didactic courses in biostatistics, ethics, epidemiology, study design, weekly longitudinal seminar series, and a mentored clinical research project</i>	2003 – 2005
Medical Resident, Family Medicine Residency Program Department of Family Medicine University of Illinois at Chicago, Chicago, Illinois	1998 – 2001
Research Fellow, The Clinical Care Center for Congenital Heart Disease Oregon Health Sciences University, Portland, Oregon	1993 – 1995
Medical Resident, Pediatric Residency Program Department of Pediatrics Shandong Medical University, Jinan, China	1985 - 1988

FACULTY APPOINTMENTS

Professor, Chair, Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine	2/2023-present
Professor, Chair (Interim), Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine	2/2021-2/2023
Professor, Clinical Scholar, Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine	2019 – present
Professor, Clinician Educator, Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine	2017 - 2019
Associate Professor, Clinician Educator, Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine	2010 - 2017
Assistant Professor, Clinician Educator, Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine	2001 – 2010
Assistant Professor, Department of Pediatrics Shandong Medical University, Jinan, China	1989 – 1993

HOSPITAL OR OTHER PROFESSIONAL APPOINTMENTS

Attending Physician, Department of Family Medicine Crittenton Hospital, Rochester Hills, Michigan	2008 – present
--	----------------

Attending Physician, Department of Family Medicine Sinai-Grace Hospital, Detroit, Michigan	2001 – 2008
Research Associate, Department of Otolaryngology Oregon Health Sciences University, Portland, Oregon	1995 – 1998
Graduate Faculty Member, Graduate School, Wayne State University	2006 – present
Scientific Member, Population Studies and Disparity Research Karmanos Cancer Institute, Wayne State University	2006 – present
Director of MetroNet - A practice-based research network (PBRN) in Metropolitan Detroit Department of Family Medicine and Public Health Sciences Wayne State University School of Medicine	2017 - present

MAJOR PROFESSIONAL SOCIETIES

Member, Association of Departments of Family Medicine	2022 - present
Member, Oakland County Medical Society	2009 - present
Member, Society of Teachers of Family Medicine (STFM)	2008 - 2012
Member, North American Primary Care Research Group	2005 – present
Member, American Board of Family Medicine	2001 - present
Member, Southeast Michigan Academy of Family Physicians	2001 - present
Member, Michigan Academy of Family Physicians	2001 – present
Member, American Academy of Family Physicians	1998 – present

MEDICAL LICENSURE

Physician and Surgeon, License #4301078688, State of Michigan	2001 – present Expiration date: 07/03/2023
Pharmacy License # 5315007924, State of Michigan	2001 – present Expiration date: 07/03/2023

BOARD CERTIFICATION

Board Certified in Family Medicine	2001 – present Recertified in 2018
------------------------------------	--

HONORS/AWARDS

Excellence in Teaching Clinical Clerkships School of Medicine, Wayne State University	2020 - 2021
--	-------------

Excellence in Teaching Clinical Clerkships School of Medicine, Wayne State University	2019 - 2020
2019 NAPCRG Pearl Award For the presentation entitled “Active Surveillance Uptake in a Population-based Survey of Men with Low-risk Prostate Cancer” <i>This award is given as one of the top research studies presented at the Annual Meeting of North American Primary Care Research Group (NAPCRG) that will impact clinical practice.</i> <i>Total of 10 awarded each year out of ~1300 studies presented at the 2019 NAPCRG meeting, November 16-20, 2019, Toronto, Canada</i>	2019
2018 NAPCRG Pearl Award For the presentation entitled “Uptake of Active Surveillance Low-risk Prostate Cancer in a Population-based Cohort” <i>This award is given as one of the top research studies presented at the Annual Meeting of NAPCRG that will impact clinical practice.</i> <i>Total of 10 awarded each year out of ~1300 studies presented at the 2018 NAPCRG meeting, November 9-13, Chicago, IL.</i>	2018
Fellow, American Academy of Family Physicians <i>The degree of fellow recognizes AAFP members who have distinguished themselves by their service to family medicine, advancement of health care access and professional development through medical education and research.</i>	2013
Provider Scholarship Wisconsin Health Literacy Summit (nationwide event), University of Wisconsin – Madison, Wisconsin, April 9-10, 2013 <i>This is a travel award for clinicians to attend the national conference.</i>	2010
Award of the Best Family Medicine Presentation by a Faculty/Practitioner, 33 rd Annual Michigan Family Practice Research Day, May 20, 2010, Brighton, MI.	2008
Ranked in the top 5% of all peer reviewers Journal of the American Board of Family Medicine	2001
Award of Appreciation as a Preceptor and Mentor Longitudinal Primary Care Program, College of Medicine, University of Illinois at Chicago	1999
Fellowship, Society of Teachers of Family Medicine Patient Education Conference, Austin, Texas <i>This is a travel award for selected residents to attend the conference</i>	1999

The Science and Technology Progress Award
Shandong Province Science Bureau, China
*This award recognizes research excellence and achievement by scientists
in Shandong province, China.* 1994

Research Scholarship
China Scholar Exchange Program 1993

SERVICE

Wayne State University

Departmental/Divisional

Chair, P&T Committee and Selective Salary Committee
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine 2/2021- present

Chair, Leadership Team Committee
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine 2/2021- present

Member, Clinician Recruitment Committee, UPG Department
of Family Medicine and Public Health Sciences Wayne State
University School of Medicine 2019-1/2020

Member, Selective Salary Review Committee
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine 2013 – 2015

Member, Research Review Committee
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine 2013 – 2015

Judge, Annual Family Medicine Resident Research Day
Department of Family Medicine and Public Health Sciences
Wayne State University 2007 – 2018

Member, MPH Faculty Committee
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine 2006 – present

Member, Electronic Medical Record Core Implementation Committee,
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine 2007 – 2008

Member, Electronic Medical Record Implementation Steering Committee 2005 – 2008
Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine

School of Medicine

Member, Clinical Chairs Committee (monthly meetings) 2/2021-present
Wayne State University School of Medicine

Member, Joint Chairs Committee (monthly meetings) 2/2021-present
Wayne State University School of Medicine

Strategic Planning Meetings 9/2022
Wayne State University School of Medicine

Member, Annual Michigan Family Medicine Research Day Planning Committee. 2015 - Present
Statewide event sponsored by all medical schools in Michigan

“Work-Life Balance” Panelist, Women in Medicine and Science Group 10/2013
Office of Faculty Affairs and Professional Development
Wayne State University, Detroit, Michigan, October 23, 2013

Judge, Annual Michigan Family Medicine Research Day, Brighton, MI 2005 - present
Statewide event sponsored by all of medical schools in Michigan

Faculty Advisor, supervising a group (15-20) of WSUSOM medical students (MS1-MS4) from Asian Pacific American Medical Student Association providing *monthly* free health screening services to the local underserved Asian community. *Founding member and served as one of the three key advisers for this group of medical students.* 2005 - 2019

University

Member, University Academic Senate 2016 - 2019
Wayne State University

Member, Faculty Affairs Committee 2016- 2019
University Academic Senate, Wayne State University

Judge, WSU Graduate School’s Graduate Postdoctoral Research Symposium, Detroit, MI 3/2016

Judge, 31st Annual Meadowbrook Research Forum, Southeast Michigan Center for Medical Education, Rochester Hills, Michigan 5/2009

Judge, Oakwood Health System Resident Research Day 4/2006

Oakwood Health System, Dearborn, Michigan

University Physician Group (UPG)/Wayne Health (WH)

Member, WSUPG/WH Clinical Chairs Council Department of Family Medicine	2/2021-present
Attending Physician, UPG/WH Troy Family Medicine Center Troy, Michigan <i>Provide direct patient care averaged 2 half-days per week</i>	2/2021-present
Attending Physician, UPG/WH Troy Family Medicine Center Troy, Michigan <i>Provide direct patient care averaged <u>2 to 6 half-days per week</u></i>	2018 - 2021
Attending Physician, WSUPG Family Medicine Center Rochester Hills and Troy, Michigan <i>Provide direct patient care averaged <u>4 to 6 half-days per week</u></i>	2008 – 2018
Attending Physician, Department of Family Medicine University Family Physicians, Royal Oak, Michigan <i>Provide direct patient care averaged <u>4 half-days per week</u></i>	2001 – 2007
Attending Physician, Department of Family Medicine Inpatient Service, Sinai-Grace Hospital, Detroit, Michigan <i>On inpatient service about 6-8 weeks a year</i>	2001 – 2003
Attending Physician, Department of Family Medicine OB service, Sinai-Grace Hospital, Detroit, Michigan <i>On OB calls for one week every three weeks</i>	2001 - 2003

Professional

Member, Professional Development Committee Michigan Academy of Family Physicians <i>Plan and organize the MAFP Annual Conference as well as all CME events sponsored by MAFP. Select speakers and pre-review presentations before CME events.</i>	2016 - present
Member, Committee on Advancing the Science of Family Medicine (CASFM) Practice Based Research Networks North American Primary Care Research Group <i>Quarterly meetings/conference calls/discussions on how to move the field forward</i>	2020 - present

Member, Committee on Advancing the Science of Family Medicine (CASFM) Cost Analyses Working Group/Research Methods North American Primary Care Research Group	2012 – 2021
Member, Committee on Cancer Research in Primary Care Interest Group, North American Primary Care Research Group <i>Meetings/conference calls/email discussions on an as needed basis</i>	2008 – present
Member, Michigan Prostate Cancer Action Committee Michigan Cancer Consortium <i>Periodical review and update the comprehensive patient prostate cancer decision-aid, prostate cancer survivorship factsheets, and primary care symptom management guidelines (prostecancerdecision.org)</i>	2008 - 2018

Community

Leader, Patient and Community Engagement Activities about prostate cancer screening and treatment decision-making partnership called “Partners for Better Prostate Health”	2017 - 2019
Interviewed by the American Academy of Family Physicians News regarding the newly published article on prostate cancer patient’s survival expectations	2015
Interviewed for “Public Health Minute” by Dr. Bill Latimer, Professor and Dean of The School of Health Sciences, Human Services and Nursing at Lehman College, The City University of New York (CUNY) and host of the WUFT Public Radio segment, "Public Health Minute".	2015
Faculty Advisor, supervising a group (15-20) of WSUSOM medical students (MS1-MS4) from Asian Pacific American Medical Student Association providing <i>monthly</i> free health screening to local underserved Asian community, (including measurement of blood pressure, glucose, cholesterol, height, weight, BMI, patient education and counseling on healthy lifestyles, etc.) <i>Services provided were recognized with an Award of Appreciation by the Association of Chinese Americans in 2008, and has been recognized multiple times in the local Chinese newspaper.</i>	2005 - 2019

Consulting

Faculty Research Mentor, mentoring faculty on scholarly activities, Department of Family Medicine, Henry Ford Health System, Detroit, Michigan	2015 – 2018
--	-------------

Scholarly Service

Grant Review Committees

National/International

- | | |
|--|----------------|
| Ad hoc Member, Grant Peer Review Committee for Cancer Control and Prevention: Psychosocial and Behavioral Research (CPPB)
American Cancer Society, Atlanta, Georgia | 2013 – 2014 |
| Ad hoc Member, Grant Review Board – Health and Medical Research Fund (HMRF), Government of Hong Kong SAR, China | 2012 – present |

Regional/Local

- | | |
|--|------|
| Ad hoc grant reviewer, Michigan Department of Community Health and Blue Cross Blue Shield of Michigan Foundation RFP | 2010 |
|--|------|

Service for Peer-Reviewed Journals Editorship

Editorial Board Membership

- | | |
|--|---------------|
| Editorial Board Member, the journal of <i>Family Practice</i> , an international journal of primary care, Published by Oxford University Press, UK | 2009 –present |
|--|---------------|

Review of Manuscripts for the following journals

- | | |
|---|----------------|
| <i>Cancer Medicine</i> | 2019 |
| <i>Family Medicine and Community Health</i> | 2015 |
| <i>Contemporary Nurse</i> | 2015 – present |
| <i>Postgraduate Medicine</i> | 2015 – present |
| <i>Journal of Racial and Ethnic Health Disparity</i> | 2015 – present |
| <i>Patient Related Outcome Measures</i> | 2014 |
| <i>Annals of Epidemiology</i> | 2014 |
| <i>Psycho-oncology</i> | 2013 |
| <i>European Journal of Obstetrics & Gynecology & Reproductive Biology</i> | 2010 |
| <i>British Medical Journal</i> | 2005, 2018 |
| <i>Journal of the American Board of Family Medicine</i> | 2005 – present |
| <i>Annals of Family Medicine</i> | 2005 – present |
| <i>Family Medicine</i> | 2005 – present |

Mentorship

Junior Faculty

Rhonda Dailey, MD, Faculty, Department of Family Medicine and Public Health Sciences, WSU <i>Successfully completed the practice-based research fellowship. One training grant funded.</i>	2016 - 2018
Katarzyna Budzynska, MD, MS, Faculty, Department of Family Medicine, Henry Ford Health System <i>One national presentation, one manuscript published, and one national grant submission</i>	2015 –present
Liyong Zhang, MD, PhD, Faculty, Department of Family Medicine and Public Health Sciences, WSU <i>Three publications, one national grant submission</i>	2014– 2016
Salieha Zaheer, MD, Faculty, Department of Family Medicine and Public Health Sciences, WSU <i>One case report published, and one in preparation</i>	2014 – 2021
William Murdoch, MD, Faculty, Faculty, Department of Family Medicine and Public Health Sciences, WSU	2013 – 2014

Residents/Medical Students/Graduate Students

Ruth Wei, MD, Resident, one case report published in peer-reviewed journal	2019
Lucy Chau, Medicine Student, one case report submitted to BMJ Case Reports	2019
Johnny Wu, Medical Student, case report poster presentation at 2018 Department Research Day and the 46 th Annual Michigan Family Medicine Research Day, Brighton, MI.	2018-2019
Joshua Kong, Medical Student, research project on black men’s knowledge and priorities about PSA screening. Oral presentation at the 2017 Department Research Day and the 45 th Annual Michigan Family Medicine Research Day, Brighton, MI	5/2017
Felix Yang, MD, Family Medicine Resident, research project on determinants of treatment decision for localized prostate cancer, which won the <u>First Place Award</u> in Oral Presentation by a Resident at the 44 th Annual Michigan Family Medicine Research Day, Brighton, MI (Statewide competition). <i>One manuscript published.</i>	5/2016
Dr. Yang also won the <u>First Place Award</u> in the 22nd Annual WSU Family Medicine Research Day, Rochester Hills, MI.	4/2016
Elyse Reamer, MPH student, research project on prostate cancer patient’s knowledge and treatment decisional qualities, which won the <u>First Place</u>	5/2015

Award in Oral Presentation by a Student at the 43rd Annual Michigan Family Medicine Research Day, Brighton, MI. *One manuscript published.*

Albert Ma, Medical Student (MS4), research project on a case study with literature review, which won the First Place Award in Poster Presentation by a Student at the 43rd Annual Michigan Family Medicine Research Day, Brighton, MI (Statewide competition). *One case report submitted.* 5/2015

Arun Mallapareddi, MPH student, research project on active surveillance for localized prostate cancer patients and their partners, which won the 2nd Place Award for his oral presentation at WSU Graduate Student Showcase, Detroit, MI. *One manuscript published.* 1/2015

Lisa Daum, Medical Student (MS1), research project on racial differences on prostate cancer knowledge and treatment choice, which won the 2nd Place Award of Clinical Study Poster Presentation at WSUSOM Medical Student Research Symposium, Detroit, MI 11/2014

Lisa Daum's project was selected as a showcase of cancer disparity research at the Annual Meeting of Michigan Cancer Consortium, East Lansing, MI (Statewide event). *One manuscript published.* 5/2014

Arun Mallapareddi, MPH student, won the First Place Award in in Oral Presentation by a Student at the 42nd Annual Michigan Family Medicine Research Day, Brighton, Michigan (Statewide competition) 5/2014

Selected as one of the ten "Life Long Researchers" round-table discussions encouraging research/scholarship activities with a group of medical students, residents, graduate students, and faculty attending the 42nd Annual Michigan Family Practice Research Day, Brighton, MI 5/2014

Mentoring/advising WSU MPH graduate students about their research projects, *one to two student a year* 2011-2019

Sanket Kunde, MD, Family Medicine Resident, research project on ambulatory monitoring of blood pressure for primary care patients, which won the First Place Award in Oral Presentation by a Resident in the Annual Michigan Family Medicine Research Day, Lansing, MI 5/2009

Dr. Kunde also won the First Place Award in the in the Annual WSU Family Medicine Research Day, Rochester Hills, MI. 4/2009

Mentoring/advising Resident Physicians from Family Medicine Residency Program on their scholarly projects and journal club presentations, WSUSOM *Average one to two residents a year* 2008 – 2018

Mentoring/advising Resident Physicians from Transitional Year Residency Program on their scholarly projects and journal club presentations, WSUSOM *Average two residents per year* 2008 - 2018

Mentoring/advising Medical Students (MS1 to MS4) about their clinical rotations, career choices, and scholarship projects. (All of them matched to their top choice of residency programs, and majority went on to become family physicians). *Average one to two students per year.*

2003 – 2019

TEACHING (See Teaching Grid)

GRANTS, CONTRACTS, AND OTHER FUNDING

Active Grants and Contracts

Role: Lead Principal Investigator

U77HP26852-09-08

Title: Michigan Area Health Education (MI-AHEC)

The goals of MI-AHEC are to train/prepare a diverse primary care workforce and improve workforce distribution with an emphasis on rural and underserved areas and populations across the state of Michigan.

Source: Health Resources and Services Administration (HRSA)

Period: 09/01/2022 - 08/31/2027

Total direct cost: \$3,700,000

Role: Principal Investigator

Title: "Building Primary Care Research Capacity for COVID-19 related PCOR/CER in Metro-Detroit"

Source: PCORI (Patient-Centered Outcome Research Institute)

Award Mechanism: Eugene Washington PCORI Engagement Award: Capacity Building

Period: 10/01/2021 – 03/30/2023

Total Direct Cost: \$142,605

Total Budget: \$199,646

Role: Principal Investigator

Title: "Racial Disparities in Active Surveillance Adherence and Quality of Life in a Population-based Prospective Cohort of Men with Low-risk Prostate Cancer"

Source: Department of Defense

Program: Prostate Cancer Research Program 2018

Award Mechanism: Health Disparity Research Award

Period: 09/15/2019 – 09/14/2023

Total Direct Cost: \$948,281

Total Budget: \$1,305,775

Role: Co-Investigator (PI: Liu, Y)

Title: "Assessment of elastomeric respirators in healthcare delivery settings"

The purpose of this study is to determine the feasibility and capability of a local hospital to use reusable respirators and/or rapidly convert to their use during a public health emergency.

Source: CDC/NIOSH (2018-N-67799)

Period: 09/01/2018-8/31/2023

Total Costs: \$392,130

Previously Funded Grants and Contracts

Role: Lead Principal Investigator

Title: Michigan Area Health Education (MI-AHEC)

The goals of MI-AHEC are to train/prepare a diverse primary care workforce and improve workforce distribution with an emphasis on rural and underserved areas and populations across the state of Michigan.

Source: Health Resources and Services Administration (HRSA)

Period: 09/01/2021 - 08/31/2022

Total direct cost: \$750,000

Role: Principal Investigator

Title: “Supporting Detroit Communities as Leaders and Partners in COVID-19 Research”
(Patient-Centered Outcome Research Institute)

Award Mechanism: Enhancement grant from Eugene Washington PCORI Engagement Award

Period: 07/01/2020 – 09/30/2021

Total Direct Cost: \$106,710

Total Budget: \$149,382

Role: Principal Investigator

Title: “Best Practices to Engage Men in the Development of Cancer Health Equity Research Agenda”

Source: PCORI (Patient-Centered Outcome Research Institute)

Award Mechanism: Eugene Washington PCORI Engagement Award: Capacity Building

Period: 07/01/2019 – 06/30/2021

Total Direct Cost: 178,569

Total Budget: \$249,997

Role: Principal Investigator

Title: “Radiation oncologists' perspective on active surveillance for low-risk prostate cancer”

The goal of this grant is to learn radiation oncologists’ opinions and practices regarding active surveillance for patients newly diagnosed low-risk prostate cancer.

Source: Detroit Medical Center Foundation

Period: 11/16/2017-12/31/2020 (with no-cost-extension)

Total Costs: \$55,627

Role: Principal Investigator,
Research Scholar Grant RSG-13-164-01-CPPB

Title: “Why Don’t More Men with Low-Risk Prostate Cancer Choose Active Surveillance?” The major goals of this study were to identify determinants of men’s treatment choice for low-risk prostate cancer and to assess men’s quality of life over time.

Source: American Cancer Society

Period: 07/01/2013-12/31/2019 (with one year no-cost-extension)

Total Costs: \$1,743,750

Role: Principal Investigator

Title: "Shared Decision Making for Prostate Cancer Screening".

The objective of this Pipeline to Proposal Tier II project is to strengthen the partnership with patients and their support networks, providers, and other key stakeholders to develop research questions related to PSA screening that are truly important to African American men in Detroit.

Source: PCORI Pipeline to Proposal Tier II Project

Period: 08/01/2017-7/31/2018

Total Costs: \$25,000

Role: Co-Principal Investigator, RFA#PC-2015-1

Co- PI: Janisse J

Title: "The influence of gain- and loss-framed messages on interest in and use of active surveillance for low-risk localized prostate cancer." The goal of this pilot was to assess effect of message framing on active surveillance adoption and adherence.

Source: Karmanos Cancer Institute

Period: 10/01/2015-09/30/2018

Total Costs: \$35,000

Role: Consultant (PI: Ghosh S)

Title: "Developing Bayesian Methods for Noninferiority Trial in Comparative Effectiveness Research"

This proposal aims to develop, evaluate, and apply novel adaptive Bayesian statistical techniques applicable to Non-inferiority based randomized controlled clinical Trial for CER

Source: PCORI (Patient-Centered Outcome Research Institute)

Period: 10/01/2015-10/30/2018

Total Costs: \$750,788

Role: Principal Investigator

Title: "Shared Decision Making for Prostate Cancer Screening".

The objective of this Pipeline to Proposal Tier I project is to build relationships with patients and their support networks, providers, and other key stakeholders to explore issues related to PSA screening that are truly important to African American men in Detroit.

Source: PCORI Pipeline to Proposal Tier I Project

Period: 08/01/2016-4/30/2017

Total Costs: \$15,000

Role: Principal Investigator

Title: "Prostate Cancer Survivorship Care: Development, Implementation and Evaluation of a Continuing Medical Education Module for Primary Care Providers". The goal of this study was to develop, implement and evaluate an online CME course on prostate cancer survivorship care.

Source: Michigan Department of Health and Human Services & BCBS of Michigan Foundation

Period: 01/01/2015-09/30/2016

Total Costs: \$145,000

Role: Principal Investigator, MRS GT-06-133-01-CPPB

Title: “Racial Differences in Prostate Cancer Treatment Decision Making”.

This was a mentored research award which major goal was to support the PI’s research ability development activities including a pilot research project to explore racial differences in prostate cancer treatment decision-making.

Source: American Cancer Society

Period of award: 07/01/2006-06/30/2012 (with one year extension)

Total Costs: \$729,000

Role: Principal Investigator

Title: “The impact of systemic antibiotic use on the prevalence of vulvovaginal candidiasis in adult women in primary care setting”. This pilot project was to explore oral antibiotic use on the prevalence of vulvovaginal candidiasis in primary care setting.

Source: Michigan Consortium for Family Practice Research

Period: 2002-2004

Total Costs: \$4,125

Previously Submitted, Not Funded Grants and Contracts

Role: Co- Investigator (PI: Liu Y)

Title: Reusable Elastomeric Respirators in Healthcare Settings - Assessment, Best Practices and Preferred Uses

Source: Centers for Disease Control and Prevention

Period: 02/01/2023 - 01/31/2027

Total funds requested: \$2,441,479

Role: Co-Investigator (PI: Manning, M)

Title: Multilevel personalized risk-communication interventions to promote risk-concordant breast cancer screening

The goal of this grant is to increase guideline-concordant breast cancer screening for high risk women

Source: NIH/NCI

Period: 07/01/2020-06/30/2025

Total Costs: \$1,941,012

Role: Site PI (PI: Westfall J.)

Title: “Our Hearts – Tailoring cardiovascular disease guidelines with diverse communities”. The goal of this project is to address this guideline-to-practice gap by engaging patients and practices in six diverse, underserved communities facing significant adverse health disparities related to cardiovascular disease served by five practice-based research networks around the country.

Source: National Institute of Health - NHLBI

Period: 3/1/2018-2/28/2023

Total Direct Costs: \$617,061

Role: Primary Mentor (PI: Budzynska K)

Title: “Diabetes control and colorectal cancer and polyps”. The goals of this mentored grant project are to explore the relationships between diabetes, its treatment and the development of colorectal cancer and polyps and train Dr. Budzynska to become an independent primary care cancer researcher.

Source: American Cancer Society
Period: 7/1/2018-6/30/2020
Total Direct Costs: \$300,000

Role: Principal Investigator, Percent Effort: 10%
Title: “Reproductive attitudes, beliefs and practices among married women whose husbands are HIV positive in China”. The goal of this Phase 1 proposal is to explore reproductive attitudes, beliefs, and practices among women whose husbands are HIV positive.
Source: Bill & Melinda Gates Foundation
Period: 01/01/2017-12/30/2018
Total Direct Costs: \$100,000

Role: Co-Investigator, Percent Effort: 5% (PI: Ondersma, S)
Title: “Interactive mobile technology for reduction of substance abuse among pregnant women and older adults: The ‘My Choices Checkup’ app”. This project will conduct the first real-world test of an innovative software application (the “My Choices Checkup” app) that could facilitate dramatic reductions in drug abuse, alcohol abuse, and smoking among the two groups most vulnerable to their effects: pregnant women and older adults.
Source: Michigan Health Endowment Fund
Period: 08/01/2016-07/31/2017
Total Direct Costs: \$420,821

Role: Principal Investigator, Percent Effort: 35%
Title: “Why don’t more men with low-risk prostate cancer choose active surveillance?”
The major goals of this study were to identify determinants of men’s treatment choice for low-risk prostate cancer and to assess men’s quality of life over time.
Source: R01 NIH NCI
Period: 07/01/2012-06/30/2017
Total amount requested: \$3.3 million

Role: Principal Investigator, Percent Effort: 70%
Title: “Antibiotic-Associated Vulvovaginal Candidiasis”. The objective of this mentored award application was to help PI to become an independent and productive physician researcher, which included both research training and a pilot research project on the association between antibiotic use and vulvovaginal candidiasis.
Source: NIH NIAID
Period: 07/01/2003-06/31/2008
Total amount of award: \$500,000

PRESENTATIONS (An asterisk indicates a co-author who is a student or trainee)

Podium Presentations (referred)

International/National Meetings

1. **Xu J**, Bock C, Janisse J, Woo J, Goodman M. Choosing Active Surveillance Adherence vs Curative Treatment in A Population-based Survey of Men with Low-risk Prostate Cancer. Presented at the 48th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 16-20, 2021, Virtual.
2. **Xu J**, Bock C, Janisse J, Mincey L, Woo J, Schwartz K, Goodman M. Factors Influencing Men's Active Surveillance Adherence and Reasons for Switch to Treatment: A Population-based Study. Presented at the 47th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 16-20, 2020, Virtual.
3. Chen I*, Feng D*, Woo J, Janisse J, **Xu J**. How well is Active Surveillance being followed? A Snapshot in Detroit, MI. Presented at the 47th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 16-20, 2020, Virtual.
4. **Xu J**, Bock C, Goodman M, Janisse J, Schwartz K. Active Surveillance Uptake in a Populationbased Survey of Men with Low-risk Prostate Cancer. Presented at the 47th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 16-20, 2019, Toronto, CA. This oral presentation has been selected for the 2019 NAPCRG Pearl Award as one of the top research studies presented that will impact clinical practice.
5. **Xu J**, Bock C, Keen J, Janisse J, Mincey L, Goodman M. Urologists' Perceptions of Active Surveillance and Treatment Recommendations for Low-risk Prostate Cancer. Presented at the 47th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 16-20, 2019, Toronto, CA.
6. **Xu J**, Bock C, Goodman M, Janisse J, Schwartz K. Active Surveillance Uptake in a Population-based Survey of Men with Low-risk Prostate Cancer. Presented at the 47th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 16-20, 2019, Toronto, CA. *This oral presentation has been selected for the 2019 NAPCRG Pearl Award as one of the top research studies presented that will impact clinical practice.*
7. Ou, H., Li, C. **Xu, J.** & Hoffman, H. Access to Health Care among Older Adults with Self-Reported Hearing Loss Using Medical Expenditure Panel Survey. Podium presentation at the American Auditory Society annual meeting, March 2019, Scottsdale, AZ.
8. **Xu J**, Bock C, Goodman M, Janisse J, Schwartz K. Uptake of Active Surveillance for Low-risk Prostate Cancer in a Population-based Cohort. Presented at the 46th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 9-13, 2018, Chicago, Illinois. *This oral presentation has been chosen for the 2018 NAPCRG Pearl Award as one of the top research studies presented that will impact clinical practice.*

9. **Xu J.** The PBRN Certificate Program: Looking through Two Lenses. Keynote Speaker at 2017 Practice Based Research Network Conference 2017, July 12-14, Washington DC.
10. **Xu J,** Daum L*, Reamer E*, Ruterbusch J. Prostate cancer knowledge and qualities of treatment decision for localized prostate cancer. Presented at the 43rd Annual Meeting of the North American Primary Care Research Group (NAPCRG), October 24-28, 2015, Cancun, Mexico.
11. **Xu J,** Janisse J, Ruterbusch J, Ager J, Liu J, Schwartz K. Prostate cancer patients' survival expectations with and without treatment of their choice. Presented at the 42nd Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 21-25, 2014, New York City, New York.
12. **Xu J,** Dailey R, Eggly S, Neale V, Schwartz K. Prostate cancer treatment decision making: a pilot study of population-based sample. Presented at the 38th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 13-17, 2010, Seattle, Washington.
13. **Xu J,** Dailey R, Eggly S, Schwartz K. Why not more men chose watchful waiting? A qualitative study. Presented at the 37th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 14-18, 2009, Montreal, Quebec, Canada.
14. **Xu J,** Neale V, Dailey R, Bartoces M, Northrup J, Schwartz KL. Characteristics of natural menopausal symptoms in primary care patients. Presented at Clinical Research 2005, April 29 – 30, 2005, Washington DC.
15. **Xu J,** Schwartz K, Northrup J. Concept paper: The impact of systemic antibiotics on vulvovaginal candidiasis. Presented at the 16th Annual Primary Care Research Conference, San Antonio, Texas, November 30 – December 2, 2001

State/Regional/Local meetings

16. Woo J, Bock C, Janisse J, Goodman, M and **Xu, J.** Radiologists vs Urologists. Presented at Annual Michigan Family Medicine Research Day Conference, May 23, 2022, Virtual. Won the first Award in clinical research category.
17. Woo J, Bock C, Janisse J, Goodman, M and **Xu, J.** Radiologists vs Urologists. Presented Department of Family Medicine and Public Health Sciences Research Day, April 19, 2017, Detroit, Michigan, April 16, 2022, Virtual.
18. Feng D, Chen I, **Xu J.** How well is Active Surveillance being followed? Annual Department Research Day, Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine, April, 2020, Detroit, Michigan
19. Marlin-Guanga Y*, Keen J*, **Xu J.** Evaluations of the effectiveness of online evidence-based course on prostate cancer survivorship care for primary care providers. Annual Michigan Family Medicine Research Day Conference, May 23, 2017, Brighton, Michigan
20. Kong J*, Keen J*, **Xu J.** African American men's knowledge and perception of PSA screening discussion with their physicians. Annual Michigan Family Medicine Research Day Conference, May 24, 2017, Brighton, Michigan
21. **Xu J.** Patient-doctor shared decision making in screening and treatment of prostate cancer. Department of Family Medicine and Public Health Sciences Research Day, April 19, 2017, Detroit, Michigan

22. Kong J*, Keen J*, **Xu J**. African American men's knowledge and perception of PSA screening discussion with their physicians. Department of Family Medicine and Public Health Sciences Research Day, April 19, 2017, Detroit, Michigan
23. **Xu J**, Goodman M, Reamer E*, Bock C, Mincey L, Brockman E, Janisse, Zhang L, Schwartz K. Active Surveillance Adoption in a Diverse Population-based Sample of Men with Low-risk Localized Prostate Cancer. Presented at the 44th Annual Michigan Family Practice Research Day, May 26, 2016. Brighton, Michigan
24. Yang F*, Reamer E*, **Xu J**. Factors Influencing Treatment Choice & Decisional Quality in a Population-Based Sample of Black and White Men with Localized Prostate Cancer. Presented at the 44th Annual Michigan Family Practice Research Day, May 26, 2016. Brighton, Michigan
25. **Xu J**, Daum L*, Reamer E*, Ruterbusch J. Prostate Cancer Patients' Knowledge and Qualities of Treatment Decision for Localized Prostate Cancer. Presented at RoBust Symposium, October 9, 2015, Detroit, Michigan (SE of Michigan Regional event)
26. Janisse J, **Xu J**. The Influence of Gain- and Loss-Framed Message on Interest in and Use of Active Surveillance for Low-risk Localized Prostate Cancer. Presented at Prostate Cancer Research Group Meeting, October 15, 2015, Detroit, Michigan
27. Reamer E*, Daum L*, Ruterbusch J, **Xu J**. Prostate cancer knowledge, information sources, and quality of treatment decision for localized prostate cancer. Presented at 43rd Annual Michigan Family Practice Research Day, May 21, 2015. Brighton, Michigan
28. **Xu J**, Janisse J, Ruterbusch J, Ager J, Liu J, Schwartz K. Prostate cancer patients' survival expectations with and without treatment of their choice. Presented at 42nd Annual Michigan Family Practice Research Day, May 22, 2014. Brighton, Michigan
29. Mallapareddi A*, Ruterbusch J, Cross K, Eggly S, **Xu J**. Active surveillance for early stage prostate cancer: what do men and their partners think? Presented at the 42nd Annual Michigan Family Practice Research Day, May 22, 2014. Brighton, Michigan
30. **Xu J**, Ruterbusch J, Wang Y, Janisse J, Schwartz K. Racial differences in prostate cancer treatment decision-making: a pilot study of a population-based sample. Presented at the 33rd Annual Michigan Family Practice Research Day, May 20, 2010. Brighton, Michigan.
31. **Xu J**, Dailey R, Eggly S, Schwartz K. Prostate cancer treatment decision-making. Presented at Michigan Family Practice Research Day XXX, May 24, 2007. Brighton, Michigan.
32. **Xu J**, Monsur J, Bartoces, Schwartz KL, Sobel J. Oral antibiotic use on the prevalence of vulvovaginal candidiasis in adult women in a primary care setting. Presented at Michigan Family Practice Research Day XXVIII, May 2005. East Lansing, Michigan.
33. **Xu J**, Neale V, Dailey R, Northrup J, Schwartz KL. Characteristics of natural menopausal symptoms in primary care patients. Presented at Michigan Family Practice Research Day XXVII Conference; East Lansing, Michigan; May 2004
34. **Xu J**, Schwartz K, Monsur J, Northrup J, West P and Neale AV. Is there agreement between patients and clinicians about the common signs and symptoms of "strep throat"? Presented at Michigan Family Practice Research Day XXV Conference; May 23, 2002; East Lansing, Michigan.

Poster Presentations (refereed)

International/National Meetings

35. **Xu J**, Janisse J, Bock C, Woo J, Yacoub R, Goodman, M. Uptake and Discontinuation of Active Surveillance among Men with Low Risk Prostate Cancer: A Population-based Study. Poster presentation at the 2022 NAPCRG Annual Meeting, November 16-22, Phoenix, Arizona.
36. Neale AV, Mahas R, Towner EK, Tariq M, Tirumala, Dawson Z, **Xu J**. Long-COVID Patients and Their Primary Care Providers: A MetroNet Study. Poster presented at the National Arab American Medical Association (NAAMA) International Summer Symposium, Istanbul, Turkey, July 1, 2022.
37. Mahas M, Towner E, Tirumala S, Neale AV, Dawson Z, Friday A, **Xu J**. Building Primary Care Research Capacity for Covid-19 related PCOR/CER in Metro-Detroit. Poster presentation at the 2022 NAPCRG Practice-based Research Network (PBRN) Conference, Bethesda, Maryland, June 2-3, 2022.
38. **Xu J**, Goodman M, Keen J*, Bock C, et al. Active surveillance adoption in men with low-risk prostate cancer. Presented at the 45th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 17-21, 2017, Montreal, Quebec, Canada.
39. **Xu J**, Brown-Miller V, Holmes-Rovner M, Blessman J, Neale AV. Shared Decision Making in Prostate Cancer Screening. 2017 Practice Based Research Network Conference, July 12-14, 2017, Washington DC.
40. **Xu J**, Goodman M, Reamer E*, Bock C, et al. Active surveillance adoption in men with low-risk localized prostate cancer. Presented at the 44th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 12-16, 2016, Colorado Springs, Colorado.
41. Budzynska K, Passerman D, Rees D, **Xu J**, Lamerato L, Schooley S. Are Diabetes related factors risk factors for colorectal cancer or adenomatous polyps? *Preventive Medicine 2016*, the annual meeting of the American College of Preventive Medicine, February 24-27, 2016, Washington DC.
42. Reamer E*, Yang F*, **Xu J**. Treatment decision making in a population-based sample of black and white men with localized prostate cancer. Presented at the Eighth American Association for Cancer Research Conference on the Science of Cancer Health Disparities in Racial/Ethnic Minorities and the Medically Underserved, November 13-16, 2015, Atlanta, Georgia.
43. **Xu J**, Dailey R, Eggly S, Schwartz K. Racial differences in prostate cancer treatment decision-making. Presented at the 36th Annual Meeting of the North American Primary Care Research Group (NAPCRG), November 15-19, 2008, Puerto Rico.
44. **Xu J**, Monsur J, Bartoces, Schwartz KL, Sobel J. The effect of oral antibiotic use on vulvovaginal candidiasis in adult women in a primary care setting: a pilot study. Presented at 33rd NAPCRG Annual Meeting October 15-18, 2005, Quebec City, Canada.
45. **Xu J**, Neale V, Dailey R, Bartoces M, Northrup J, Schwartz KL. Characteristics of natural menopausal symptoms in primary care patients. Presented at Clinical Research 2005, Washington DC, April 2005
46. **Xu J**, Schwartz K, Northrup J. Concept paper: The impact of systemic antibiotics on vulvovaginal candidiasis. Presented at the 16th Annual Primary Care Research Conference, San Antonio, Texas, November 30 – December 2, 2001

47. **Xu J**, et al. Aortic distensibility in aortic coarctation using intravascular ultrasound. Poster, presented at the American College of Cardiology International Conference, Orlando, FL, March 1996

State/Regional/Local meetings

48. Woo, MPH, Bock C, Janisse J, Goodman M, **Xu J**. Low-Risk Prostate Cancer Treatment Recommendations by Urologists vs Radiation Oncologists. Poster presented at the 44th Annual Michigan Family Medicine Research Day(virtual), May 26, 2022, and won the award of the “*Best Poster in Patient Care*”
49. Zhang L, Liu Z, Yang Y, Jia C, Korzeniewski S, Dailey R, Gleason-Comstock J, Levy P, **Xu J**, Liu X. Family and Community Environmental Factors and Sleep in Adolescents: A Chinese Sample. Poster presented at the 44th Annual Michigan Family Medicine Research Day (virtual), May 26, 2022, and won the award of the “*Best Poster in Health Equity*”
50. Tirumala S, Towner E, Neale AV, Mahas R, Dawson Z, Friday A, **Xu J**. [Using Community Engagement Strategies to Build Primary Care Capacity to Participate in Long-COVID Research.](#) Poster P066 presented at the 44thAnnual Michigan Family Medicine Research Day (virtual), May 26, 2022.
51. Tirumala S, Towner E, Mahas R, Neale AV, Dawson Z, Friday A, **Xu J**. Building Primary Care Research Capacity for Covid-19 related PCOR/CER in Metro-Detroit. Poster presented at the 6th Annual Research Day, Department of Family Medicine and Public Health Sciences (virtual), Detroit, Michigan April 21, 2022.
52. Oliver M*, Bock C, Janisse J, Goodman M, Schwartz K. **Xu J**. “Active Surveillance” vs. “Watchful Waiting” in the Treatment Options for Prostate Cancer Study (TOPCS). Poster presentation at the Annual Department of Family Medicine Research Day, DFMPHS, WSUSOM, April 17, 2019, Detroit, Michigan
53. Wu J*, **Xu J**. Chronic Cough as the Initial Presentation of Polymyalgia Rheumatica and Interstitial Lung Disease: A Case Report with Literature Review. Poster presentation at the 46th Annual Michigan Family Medicine Research Day, May 24, 2018. Brighton, Michigan
