EDUCATION

Graduate:

Ph.D., Major: Social Health Psychology, Minor: Quantitative
Methods

Doctoral dissertation: Guy Time: The Effects of Men's Male
Friends on their Heavy Drinking, Consensual Sexual
Behaviors, and Sexual Assault Perpetration

Dissertation advisors: Drs. A Abbey, B Baltes, I Firestone, and P
Kernsmith

Wayne State University, Detroit, MI

M.A., Major: Social Health Psychology

Master's Thesis: An Integration of Naturally Occurring and
Laboratory-Based Perceptions of Sexual Intent

Thesis Advisors: Drs. A Abbey, S Alexander, and B Baltes
Wayne State University, Detroit, MI

Baccalaureate:

B.A., Major: Mathematics, Minor: Psychology
Wayne State University, Detroit, MI

POSTGRADUATE TRAINING

Postdoctoral fellowship:

Psychology Training in Alcohol Research Program, funded by
NIAAA, PI: M. Larimer.

Mentors: Drs. KC Davis, WH George, and J Norris
University of Washington, Seattle, WA

DATES

Jan. 2009-Dec. 2010

Sept. 2003-Dec. 2008

Sept. 1997-May 2002

Sept. 2010-Aug. 2012

FACULTY APPOINTMENTS

Associate Professor (Research Track), Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine Aug. 2020-present

Assistant Professor (Research Track), Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine Jan. 2016-Aug. 2020

Assistant Professor (Research Track), Department of Pediatrics, Wayne State University School of Medicine Oct. 2013-Jan. 2016

OTHER PROFESSIONAL APPOINTMENTS

Research Associate, Department of Pediatrics, Wayne State University School of Medicine Aug. 2012-Sept. 2013

MAJOR PROFESSIONAL SOCIETIES

Society of Behavioral Medicine 2016-present
Research Society on Alcoholism 2010-present
American Psychological Association 2003-2012, 2019
Association for Psychological Science 2003-present
Society for Personality and Social Psychology 2003-present

HONORS/AWARDS (Since 2013)

mHealth Scholar July 2018

2018 mHealth Training Institute, University of California, Los Angeles
This is an intense, broad, immersive, boot-camp style training in the latest mHealth approaches and methodologies. I was selected to be one of 30 scholars from a large pool of exceptional applicants.

Most Cited Paper Award Feb. 2018

Journal of Pediatric Psychology
This award was given for being a Top 20 Cited Article of 2016 (MacDonell KK, Jacques-Tiura AJ, Naar S, Fernandez MI, & ATN086/106 Protocol Team. Predictors of adherence to antiretroviral medication in a multi-site study of ethnic and racial minority HIV-positive youth. J Pediatr Psychol. 2016; 41:419-428.)

Mentee awarded 2nd place in the Doctoral Student Poster Competition March 2016

This WSU award was given at the Graduate and Postdoctoral Research Symposium. Mentee and student first author H. Doherty was one of students tied for 2nd place among over 120 student posters.

HONORS/AWARDS (CONTINUED)

Research Mentors Program for New Faculty

Jan. 2014-Dec. 2014

This is a WSU OVPR program to stimulate productive mentoring relationships between new and senior faculty. Number of awards varies annually.

Accepted participant

June 2013

National Addiction & HIV Data Archive Program (NAHDAP) summer workshop, Integrated Data Analysis for Addiction Research.

This is an NAHDAP program requiring admission. Approximately 25 advanced graduate students and faculty were awarded admission.

SERVICE

Wayne State University

Departmental

Chair, MPH Program Evaluation Committee	Aug. 2022-present
Member, Kappa Epsilon Organizing Committee	Jan. 2023-present
Member, MPH Program Self-Study Working Group	Nov. 2021-present
Member, annual DFMPHS Research Day Planning Committee	Feb. 2019-May 2021
Co-Chair, DFMPHS Team for the American Heart Association WSU Heart Walk (iBio Captain)	Feb. 2019-May 2019
Member of the Masters of Public Health Exit Survey workgroup	Sept. 2017-present
Panelist for Dr. Wang's FPH 7460 students' presentations and completed peer teaching evaluation	Dec. 2016
Completed peer teaching evaluation for Dr. Binienda	Nov. 2016
Completed peer teaching evaluation for Dr. Naar	March 2016

School of Medicine

Judge, Graduate Student Research Presentation Day	Jan. 2024
Member, SOM Research Development Committee	Jan. 2022-present
Citizenship for Health fellowship development group, participated in group to discuss formation of a new fellowship program	Oct. 2013

University

Wayne Academic Union (WAU) Local 6075 Bargaining Team	Aug. 2023-present
AAUP-AFT Local 6075 Organizing Fellow. Selected among a pool of applicants to serve as an Organizing Fellow for 1 year. Responsibilities included conversing across campus.	July 2022-June 2023
AAUP-AFT Local 6075 Executive Board Member-At-Large, Elected to serve the needs of WSU bargaining unit members. Specific tasks include: serving on Child Care Subsidy committee, serving on School of Medicine special committee, serving on AAUP Fellows committee, serving as liaison to the WSU GEARS initiative, serving on committee to develop draft the charge to Hearing Panel members, and conducting analyses of 2020 Bargaining Survey.	Aug. 2020 – June 2022

University (Continued)

- Abstract Reviewer, 4th Annual Fall Symposium of the WSU Researchers of Biobehavioral health in Urban Settings Today (RoBUST) Aug. 2018
- Gender Equity Workgroup member, dedicated to collecting data and suggesting University improvements in the areas of gender-based wage gap, parental and family leave, child care, and on-campus lactation rooms Aug. 2016 – present
- AAUP-AFT Council Representative, dedicated to facilitating conversations between faculty and academic staff and the union leadership on concerns related to the WSU AAUP-AFT contract. Specific focus areas included committee membership for development of the 2020 Bargaining Survey, and programing the survey June 2024 – present
Aug. 2016 – Aug. 2020
- Commission on the Status of Women, Commissioner, dedicated to addressing the myriad issues of equality and equity affecting university women. I served on the Health and Wellness committee and developed on-campus events. Aug. 2016 – July 2018
- Faculty judge, WSU Graduate and Postdoctoral Research Symposium Poster Competition March 2016

Professional

- External Reviewer for promotion of faculty member, Michigan State University CS Mott Department of Public Health October 2023
- Society for Behavioral Medicine, Violence and Trauma Special Interest Group, Outreach Coordinator, responsible for disseminating peer-reviewed literature and popular press information regarding the interface of violence, trauma, and health to the SBM Violence, Trauma, and Health Facebook group and maintaining the group's social media presence. April 2020 – Dec. 2023
- Society for Behavioral Medicine, Violence and Trauma Special Interest Group, Social Media Co-Director, see above May 2018 – April 2020
- Society for Behavioral Medicine Health Decision Making Special Interest Group, Reviewed 4 abstracts for the Outstanding Trainee Abstract Jan. 2017

Community

- Presented a poster at Rogers Elementary Occupation Day to share the profession of being a university professor and the importance of public health April 2022
- Interviewed for Western Kentucky University journalism student's final project of writing a mainstream media article with reporting on a peer-reviewed journal publication Nov. 2016
- Interviewed for Medical News Today: March 2015
<http://www.medicalnewstoday.com/articles/291170.php>

December 2018

Mentorship

Katherine Knauft, <i>Postdoctoral Fellow, Quantitative Methods Mentor</i>	August 2022-present
Samantha Misovska, WSU undergraduate Psychology Honors major, <i>mentor for the WE Study and Honors thesis, now a student in the Masters in Clinical Mental Health Counseling, Oakland U</i>	2021-2022
Jana Deaibes, WSU BSPH student, <i>mentor for the WE Study</i>	2020-2023
Madelyn Slamka, WSU MPH student, <i>mentor for the WE Study</i>	2020-2021
Talayah Thornton, WSU undergraduate Psychology major, <i>mentor for the WE Study</i>	2019-2021
Jhanvi Patel, Nova Southeastern University undergraduate Public Health major, <i>mentor for the WE Study</i>	2019
Sharara Saifullah, WSU 2018 alumna (Public Health and Honors), <i>mentor for the WE Study</i>	2019
Lauren Cislo, WSU undergraduate Honors and Psychology major, <i>mentor for the WE Study and Honors thesis</i>	2018-2020
Daniel Lanni, Oakland University/Georgia State University Psychology graduate student, <i>mentor for the WE Study, 1 poster, and 1 published manuscript</i>	2018-present
Norielle Peterson, WSU undergraduate Psychology major, <i>mentor for the DOTS Behavioral Economics pilot project and 1 presentation</i>	2018
Jamal Anwar, WSU undergraduate Biochemistry major, <i>mentor for the DOTS Behavioral Economics pilot project and 1 presentation</i>	2018
Zeinab Hourani, WSU undergraduate Psychology major, <i>mentor for the DOTS Behavioral Economics pilot project</i>	2018
Monica Norton, WSU undergraduate Psychology major, <i>mentor for the WE Study project and 1 presentation</i>	2018
Kelly Patero, WSU undergraduate Public Health student, <i>mentor for the WE Study project</i>	2017

Mentorship (continued)

Breanne Helmers, WSU Psychology doctoral student, <i>mentor (focusing on statistical methodology) for 5 presentations and 1 publication, and dissertation committee external member</i>	2016-present
Madeleine Doucet, WSU undergraduate Psychology major, <i>mentor for the WE Study project and 2 presentations</i>	2016-2017
Hannah Francisco, WSU undergraduate Psychology major, <i>mentor for the WE Study and DOTS Behavioral Economics pilot projects</i>	2016-2017
Lindsey McCracken, WSU undergraduate Psychology major, <i>mentor for the WE Study project and 2 presentations</i>	2016-2017
Lucia Ruiz, WSU undergraduate Psychology major, <i>mentor for the DOTS Behavioral Economics pilot project</i>	2016-2017
Xiaofang “Cynthia” Chu, Masters of Public Health exchange student from Nanjing Medical University, Nanjing, China, <i>mentor for her final research project examining socioeconomic status and childhood obesity</i>	2016-2017
Heather Doherty, WSU Clinical Psychology Doctoral Student and DOTS Scholar, <i>mentor for DOTS Behavioral Economics pilot project and 1 poster</i>	2015-2016
Lawrence Turner, WSU Criminal Justice and SOM student assistant, <i>mentor for FIT Co-Op and Behavioral Economics pilot projects</i>	2015-2016
Marissa Menendez, Florida International University masters student in Dietetics & Nutrition, <i>mentor for masters project and 1 poster</i>	2014-2015
Armin Iraj, WSU graduate student in Biomedical Engineering, <i>mentor for PhD Qualifying Exam</i>	2014
Arushi Mahajan, high school student lab volunteer, <i>mentor for FIT Families Project and 1 poster</i>	2013
Amanda K. Gilmore, UW graduate student in Psychology, <i>mentor 3 peer-reviewed manuscripts, and 7 conference presentations</i>	2010-2014

Completed: Aug. 2019
Proposed: May 2019

Course or curriculum development

WSU-DOTS Scholars Program, responsible for developing
curriculum of didactic lectures and experiential learning
activities related to the science of team science and team
science research.
Fall 2015-Sum. 2017

GRANTS, CONTRACTS, AND OTHER FUNDING

Active National Grants

Role: Co-Investigator, Percent Effort: 20-25%, R01AA028815

PI: Antonia Abbey, Ph.D.

Title: “Alcohol’s Effects on Affective, Cognitive, and Behavioral Responses in a Virtual Reality Dating Simulation”

Project goal: The overall goal is to develop and validate a 3-dimensional virtual reality dating simulation of a potential sexual assault situation and examine alcohol’s acute effects on responses.

Source: NIH / NIAAA

Submitted as new proposal: 2/5/2020, *Impact score:* 26, 9th percentile

Resubmitted: 7/2/2019, *Revision Impact score:* 31, 18th percentile

Original submission: 10/5/2018, *Impact score:* 48, 41st percentile

Funding period 2/5/2020 submission: September 2021-August 2026

Total direct costs 2/5/2020 submission: \$2,496,516

Other Funded Projects

Role: PI, Percent Effort: 20% (in kind)

Title: Recruiting emerging adult men as social-behavioral research participants in the post-COVID landscape: A 1-month 2-wave methodological-focused survey of men’s dating and social activities

Project goal: The overarching aim is to recruit and retain a sample of 600 emerging adult men for a brief, 2-wave online survey study of dating and social activities such that both methodological and substantive findings may be used as preliminary data in a full NIH proposal.

Source: Wayne State University Department of Family Medicine and Public Health Sciences

Funding period: April 2023-February 2024

Funding amount: \$20,000

Previously Funded Grants and Contracts

Role: Data Management, Percent Effort: 20-25%, R01HL138633

PI: Deborah Ellis, Ph.D.

Title: “Translating an Efficacious Illness Management Intervention for Youth with Poorly Controlled Asthma to Real World Settings”

Project goal: The propose of the hybrid implementation-effectiveness design study is to test the effectiveness of Reach for Control (RFC) as compared to Michigan MATCH to improve asthma symptoms, asthma management and lung functioning and to decrease ED visits and admissions for youth with poorly controlled asthma when integrated into hospital emergency departments and delivered by community health workers.

Source: NIH / NHLBI

Funding period: July 2017-June 2024 (NCEs), salary support September 2022-June 2024

Role: Data Management, Percent Effort: 5%, R01DK110075

PI: Deborah Ellis, Ph.D.

Title: “Effectiveness Trial of an E-Health Intervention To Support Diabetes Care in Minority Youth”

Project goal: The purpose of the study is to conduct a multicenter, randomized effectiveness trial of The 3Ms. The proposed study will use an effectiveness-implementation "Hybrid 1" design. Thus, the primary goal is to determine whether an intervention works in a real-world setting, but the design also answers secondary questions such as the relationship between treatment dose and treatment outcome and what factors affect the actual delivery of the intervention in the clinics (staff burden, workflow interference etc).

Source: NIH / NIDDK

Funding period: April 2017-March 2023 (NCE), salary support September 2022-March 2023

Role: Data Management, Percent Effort: 5-20%, R01NR019566

PI: Karen MacDonell, Ph.D. and Alan Baptist, M.D. (MPI)

Title: “Asthma and technology in emerging African American adults (the ATHENA Project)”

Project goal: The overall goal of this project is to use an innovative strategy to develop an optimized mobile asthma management intervention using the most effective combination of nurse-delivered asthma education, a smart phone app, and text messaging.

Source: NIH / NINR

Funding period: Sept. 2021-May 2026, salary support September 2021-August 2022

Role: Data Management, Percent Effort: 35%, R01HL133506

PI: Karen MacDonell, Ph.D.

Title: “Multi-component technology intervention for African American emerging adults with asthma”

Project goal: The goal of this project is to test a brief, relatively low-cost, multi-component technology-based intervention specifically targeting adherence to asthma controller medications in an under-researched population, urban African American emerging adults.

Source: NIH / NHLBI

Funding period: July 2016-June 2022 (with NCE), salary support Oct. 2021-June 2022

Role: Principal Investigator, *Percent Effort:* 75%, K01AA024500

Title: “Development of a Behavioral Economics Guided Just-In-Time Adaptive Intervention to Reduce Heavy Drinking and Loss-of-Control Eating in Female Young Adult Survivors of Sexual or Dating Violence”

Project goal: The overall goal of this three-phase mentored research scientist project is to develop an internet-delivered just-in-time adaptive intervention targeting alcohol and food consumption in female college students who have experienced dating and/or sexual violence.

Source: NIH / NIAAA

Funding period: July 2016-June 2021

Total direct costs: \$555,533

Role: Co-Principal Investigator, *Percent Effort:* 5% (in kind)
Co-PI: Mark Greenwald, Ph.D.
Title: “Physical Activity in Minority Youth: Effects on Eating, Cognition, and Metabolism”
Project goal: Investigate the effects of physical activity on metabolism, cognitive functioning, and food choice and consumption behaviors.
Source: WSU OVPR, part of the WSU Diabetes and Obesity Team Science incubator program
Funding period: July 2015-September 2018
Total direct costs: \$65,000

Role: Co-Investigator, *Percent Effort:* 25%, AA022891
PI: Sylvie Naar-King, Ph.D.
Title: “Comparing the effectiveness of two alcohol+adherence interventions for HIV+ youth”
Goal: The major goal of this study is to compare the effectiveness of a 4-visit intervention for medication adherence and alcohol consumption delivered in the home vs. clinic.
Source: NIH / NIAAA
Support period: July 2015-June 2016
Total direct costs: \$2,989,455

Role: Co-Principal Investigator, *Percent Effort:* 5% (in kind)
Co-PI: Mark Greenwald, Ph.D.
Title: “Relative Reinforcing Value (RRV) of Food in African American Adolescents: Behavioral Choices, Neurocognition, and BMI”
Project goal: Investigate behavioral economic determinants of overeating palatable foods by assessing: (1) parental food budgeting; (2) adolescent food choices as a function of stress; and (3) adolescent delay discounting of palatable food and brain circuitry involved in food choice.
Source: WSU OVPR, part of the WSU Diabetes and Obesity Team Science incubator program
Funding period: December 2013-December 2015
Total direct costs: \$75,000

Role: Co-Investigator, *Percent Effort:* 50-80%, U01HL097889
Co-PI's: Sylvie Naar-King and K.-L. Catherine Jen
Title: “Interventionist Procedures for Weight Loss Recommendations in Black Adolescents”
Project goal: Develop and test parent-child interventions to reduce weight in African American adolescents.
Source: NIH / NHLBI and NICHD
Supported: August 2012-June 2015
Total direct costs: \$3,748,456

Role: Research Support, *Percent effort:* 50% FTE, R01MH086322
PI: Xinguang Chen
Title: Social Capital and HIV Risk Behavior among Rural Migrants in China
Project goal: Examine changes of social capital and its risk and protective roles in rural Chinese migrants' HIV risk.
Source: NIH / NIMH
Supported: August 2012-January 2014
Total direct costs: \$1,400,000

Previously Submitted, Not Funded Grants and Contracts

Role: Principal Investigator, Percent Effort: 30-20%, R21AA030359

Title: “Three Novel Secondary Data Analytic Approaches to Improve Understanding of Men’s Potentially Sexually Aggressive Behavioral Patterns”

Project goal: The overall goal is to apply time-window sequential analysis, survival analysis, and a quasi-phenomenological analysis to data previously collected capturing men’s behavioral choices while interacting with an attractive female agent in a virtual reality dating simulation.

Source: NIH

Submitted: 10/15/2021, *Score:* ND; Resubmitted 11/16/2022, *Score:* ND

Role: Principal Investigator, Percent Effort: 25%, R21AA029490

Title: “Heavy Episodic Drinking and Binge Eating Symptoms in Emerging Adults: Roles of Reinforcement and Stress”

Project goal: The overall goal is to examine emerging adults’ chronic and daily levels of, variation in, and relationships among heavy drinking, binge eating symptoms, inflated reinforcement from alcohol and highly palatable foods, and elevated stress.

Source: NIH / NIAAA

Funding period: July 2021-June 2023, *Total direct costs:* \$275,000

Score: ND

Submitted: Oct. 2020

Role: Consultant

PI: Sylvie Naar, Ph.D.

Title: “Methods for Early Phase Translation of Basic Science into Behavioral Treatments to Improve Health”

Project goal: The overarching aim of the proposed R25 application is to develop and conduct a short course that offers training in innovative methodologies that can be used to systematically study behavioral treatments in early phase translational studies.

Source: NIH

Funding period: November 2019-October 2023

Total direct costs: \$797,734

Submitted: Jan. 2019

Role: Project evaluator, *Percent effort:* 10% (in kind)

PI: Sylvie Naar

Title: Encouraging health eating and activity among African American adolescents and caregivers: The Fit Families Cooperative

Project goal: The goal was to develop and test an interactive one-day nutrition and physical activity workshop for African American adolescents and caregivers.

Source: UnitedHealthCare

Total direct costs: \$20,000

Submitted: May 2015

Role: Junior faculty mentee, *Percent effort:* 10% (in kind)

Co-PIs: Sylvie Naar and Neha Gothe

Title: FIT Families: A Multiphase Optimization Strategy (MOST) to Engineer Effective Physical Activity Interventions to Reduce Health Disparities Among African American Adolescents and Caregivers

Project goal: reduce cardiovascular disease and other obesity related health disparities by empowering high risk AA family units to incorporate regular PA as a routine part of their daily lives using skills training, motivational coaching, text message reminders.

Source: WSU President’s Research Enhancement Program

Total direct costs for Year 1: \$101,925

Submitted: March 2015

Role: Co-I, *Percent effort:* 15% FTE

PI: Karen Kolmodin MacDonell

Title: “Development of a multi-component, technology-based intervention to promote adherence resiliency in Black young MSM with HIV”

Project goal: Explore adherence resilience in Black young men who have sex with men who have maintained viral load below detection 12+ consecutive months, and use these data to adapt and pilot a MCTI promoting adherence resilience in preparation for a full-scale RCT.

Source: National Institutes of Health (NIMH)

Total direct costs: \$450,000

Submitted December 2014, Impact score: 55, 46th percentile

Role: Co-I, Percent effort: 10% FTE

Co-PI: Sylvie Naar-King and Phillippe Cunningham

Title: FIT Families: Multiphase Optimization Strategy (MOST) to Engineer A Multicomponent Physical Activity Intervention in High Risk African American Adolescents and Caregivers

Project goal: Optimize intervention components of skills training, home-based motivational coaching, contingency management (CM) and text message reminders for African American caregivers and adolescents at high risk for cardiovascular complications using an innovative engineering strategy to build the most effective behavioral intervention, the Multiphase Optimization Strategy (MOST).

Source: National Institutes of Health (NCI)

Funding period: July 2015-June 2020

Total direct costs: \$850,000

Submitted November 2014, not scored

Role: PI, Percent effort: 30% FTE

Title: Naturalistic Alcohol and Food Intake Patterns in Emerging Adults: Behavioral Control Mechanisms and Biobehavioral Consequences

Project goal: Determine how consumption of alcohol and energy-dense foods overlap among emerging adults; and how patterns of over-consumption of alcohol and food may be grounded in deficits in the trans-disease processes of impaired DD and RRV, and lead to adverse biobehavioral outcomes.

Source: National Institutes of Health (NIAAA)

Funding period: July 2015-June 2017

Total direct costs: \$275,000

Submitted October 2014, not scored

Role: Co-I, Percent effort: 10% FTE

PI: Rifky Tkatch, Ph.D.

Title: Health Risk Behaviors for Orthodox Jewish Adolescents: Designing an Intervention

Project goal: Design an intervention addressing alcohol and nutrition for Orthodox Jewish adolescents.

Source: The Jewish Fund

Funding period: January 2015-December 2017

Total direct costs: \$283,589

Submitted August 2014, PI left WSU in 2015

Role: Co-I, Percent effort: 8% FTE, Submitted: 2013

PI: Feng Lin, Ph.D.

Title: Prediction and Prevention of Multi-Risk Behaviors using Probabilistic Discrete Event Systems

Project goal: Use advanced statistical methods (probabilistic discrete event systems modeling) to predict adolescent risk behavior using large national datasets.

Source: National Science Foundation

Funding period: June 2014-May 2017

Total direct costs: \$418,943

Role: PI, *Percent effort:* 35% FTE, *Submitted:* April 2013

Title: Teen Dating Violence: A Dual-Processes Guided Extension of the Background-Situational Model

Project goal: Examine etiology and progression of teen dating violence in a longitudinal study.

Source: National Institute of Justice

Funding period: October 2013-September 2016

Total direct costs: \$1,649,273

Implementing motivational enhancement therapy in adolescent HIV clinics in the U.S.: Mixed methods study within an effectiveness-implementation hybrid. Paper presented at the annual meeting of the International Congress of Behavioral Medicine, Melbourne, Australia.
5. **Jacques-Tiura AJ**, Naar S, Ellis DA, Idalski Carcone A, Brogan Hartlieb K. (2016, March). A SMART design for testing methods to reduce weight among African American adolescents: Effects of executive function and relative reinforcing value of food. Paper presented at the annual meeting of the Society for Behavioral Medicine, Washington, DC.
6. Towner EK, **Tiura AJ**, Granneman JG, Naar S. (2016, September). The Science of Team Science: Outcomes from Years 1 and 2 of the Diabetes and Obesity Team Science Incubator Program. Paper presented at the 2nd Annual Fall Symposium of the WSU Researchers of Biobehavioral health in Urban Settings Today (RoBUST): Biobehavioral Health Interventions, Detroit, MI.
7. Naar S, Ellis D, **Tiura A**, Carcone A, Jen K-LC, Brogan-Hartlieb K. (2015, November). Translating basic behavioral science of learning and motivation into an adaptive community-based obesity treatment for African American adolescents. Paper presented at The Obesity Society, Los Angeles, CA.

8. Idalski Carcone A, **Jacques-Tiura AJ**, Naar-King S, Brogan K, Ellis D, Cunningham P, Templin T, Jen K-LC (2014, November). Fit Families: Specifying an adaptive behavioral treatment for obese African American adolescents: A sequential multiple assignment randomization trial (SMART). Paper presented at the annual meeting of The Obesity Society, Boston, MA.
9. Abbey A, **Jacques-Tiura AJ**. (2014, July). Male friends' influences on young men's recent sexual assault perpetration. Paper presented at the International Society of Research on Aggression Bi-annual Conference, Atlanta, GA.
10. George WH, **Jacques-Tiura AJ**, *Gilmore AK, Davis KC, Norris J, Heiman J, Kajumulo KF. (2012, August). Alcohol and men's sexual arousal: Moderation by personality factors and dual control model factors. Paper presented at the annual meeting of the International Society for Sex Research, Lisbon, Portugal.
11. George WH, Davis KC, Masters NT, **Jacques-Tiura AJ**, Heiman J, Norris J, *Gilmore AK, *Nguyen HV, Kajumulo KF, Otto J, Andrasik MP. (2012, June). Sexual victimization, alcohol intoxication, sexual-emotional responding, and sexual risk in women. Presented at the annual meeting of the Research Society on Alcoholism, San Francisco, CA.
12. George WH, **Jacques-Tiura AJ**, Kajumulo KF, Davis KC, Heiman JR, Norris J, *Nguyen H, *Gilmore A, Masters NT, *Otto J. (2011, November). Incarceration history, sensation seeking, and sexual behaviors among moderate drinking women: A cross-sectional descriptive study of a risk nexus. Paper presented at the annual meeting of the Society for the Scientific Study of Sexuality, Houston, TX.
13. Norris J, **Jacques-Tiura AJ**, Zawacki T, Morrison DM, George WH, Davis KC, Abdallah DA, Kiekel P. (2011, August). Do sexual precedence and alcohol consumption affect women's relationship appraisals and sexual decisions? Paper presented the annual meeting of the International Academy of Sex Research, Los Angeles, CA.
14. George WH, **Jacques-Tiura AJ**, Davis KC, Kajumulo KF, *Nguyen HV, *Gilmore AK, Masters NT, Norris J, Heiman J. (2011, August). Women's sexual abuse histories and their parents' drinking: Pathways to later sexual risk. Paper presented at the annual meeting of the International Academy of Sex Research, Los Angeles, CA.
15. **Jacques-Tiura AJ**, George WH, *Nguyen HV, *Gilmore AK, Masters NT, Norris J, Davis KC, Kajumulo KF (2011, June). Comparing female intoxicated rape victims' current psychological functioning with that of other women. Paper presented at the annual meeting of the Research Society on Alcoholism, Atlanta, GA. (Also presented to the Psychology Training in Alcohol Research at the University of Washington, March 2011.)
16. Abbey A, Wegner R, Pierce J, **Jacques-Tiura AJ**. (2011, June). The role of alcohol in patterns of sexual assault perpetration over time. Paper presented at the annual meeting of the Research Society on Alcoholism, Atlanta, GA.

17. George WH, **Jacques-Tiura AJ**, Davis KC, Kajumulo KF, *Nguyen HV, *Gilmore AK, Masters NT, Norris J, Heiman J. (2011, June). History and severity of women's child sexual abuse and later sexual risk: The Roles of initiation behavior and coping motives. Paper presented at the annual meeting of the Research Society on Alcoholism, Atlanta, GA.
18. Abbey A, **Jacques-Tiura AJ**, Wegner R. (2010, February). Sexual assault perpetration in a community sample of young men. Paper presented at the 2nd Biennial National Summit on Interpersonal Violence Across the Lifespan, Dallas, TX.
19. Abbey A, **Jacques-Tiura AJ**. (2009, June). Sexual assault perpetrators who use alcohol as a tactic: How do they differ from other perpetrators and nonperpetrators? Paper presented at the annual meeting of the Research Society on Alcoholism, San Diego, CA.
20. Abbey A, Parkhill MR, Saenz C, **Jacques-Tiura AJ**, Hayman LW, Jr. (2007, June). Alcohol's role in men's use of coercion to obtain unprotected sex. Paper presented at the annual meeting of the Research Society on Alcoholism, Chicago, IL.
21. Abbey A, **Jacques AJ**, Parkhill MR. (2006, July). The relationship between sexual assault perpetrators' tactics and individual difference variables: How do men who use alcohol and verbal coercion differ? Paper presented at the International Society of Research on Aggression Bi-annual Conference, Minneapolis, MN.
22. Abbey A, **Jacques AJ**, Parkhill MR. (2006, July). The effects of question phrasing and number of questions on estimates of sexual assault prevalence. Paper presented at the International Society of Research on Aggression Bi-annual Conference, Minneapolis, MN.
23. Parkhill MR, Abbey A, **Jacques AJ**. (2006, July). The relationship between the sexual assault item endorsed and detailed descriptions of what occurred: How closely do they correspond in a community sample? Paper presented at the International Society of Research on Aggression Bi-annual Conference, Minneapolis, MN.
24. Abbey A, Saenz C, Buck PO, Zawacki T, Parkhill MR, **Jacques AJ**, Hayman LW, Jr. (2005, June). Do placebos have unanticipated effects in alcohol administration studies? Paper presented at the annual meeting of the Research Society on Alcoholism, Santa Barbara, CA.

Poster Presentations (refereed) (*denotes student co-author)

1. **Jacques-Tiura AJ**, Carcone AI, Kannikeswaran N, Holtrop T, Ellis DA. (2024, March). Pivoting during COVID: A telehealth family-based CHW-Delivered intervention for urban adolescents with uncontrolled asthma. Poster presented at the Society of Behavioral Medicine's 45th Annual Meeting & Scientific Sessions, Philadelphia, PA.
2. *Slamka MC, *Vitale RE, **Jacques-Tiura AJ**, *Lanni D, Anderson LA, Naar S. (2021, April). #MeToo at WSU Revisited: Victimization's indirect relationships with food addiction symptoms. Poster presented virtually at the 5th Annual DFMPHS Research Day Event, <https://familymedicine.med.wayne.edu/researchday2021>.

3. **Jacques-Tiura AJ**, Anderson L, Ondersma S, Nahum-Shani M, Greenwald M, Naar S. (2020, June). Developing an mhealth intervention to reduce heavy drinking and loss-of-control eating among college student women dating/sexual violence survivors. Accepted for poster presentation but not presented due to COVID-19 at the annual meeting of the Research Society on Alcoholism.
4. **Jacques-Tiura AJ**, Greenwald MK, Anderson LA, Naar S. (2019, June). Non-alcohol predictors of alcohol demand among college student women. Presented at the annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
5. *Lanni D, **Jacques-Tiura A**, Anderson L, Naar S. (2019, March). Dating and sexual violence victimization indirectly predict BMI and food addiction symptoms. Poster presented at the 40th Annual Meeting and Scientific Sessions of the Society for Behavioral Medicine, Washington, DC.
6. *Peterson N, *Anwar J, Anderson L, **Jacques-Tiura AJ**, Towner EK, Greenwald MK. (2018, September). Stressful life events and BMI in African American Adolescents with obesity. Poster presented at the 4th Annual Fall Symposium of the WSU Researchers of Biobehavioral health in Urban Settings Today (RoBUST): New Methods in Biobehavioral Health Research, Detroit, MI.
7. **Jacques-Tiura AJ**, *Norton MB, Anderson L. (2018, September). Attitudes and acceptability of potential healthy lifestyle behaviors intervention characteristics. Poster presented at the 4th Annual Fall Symposium of the WSU Researchers of Biobehavioral health in Urban Settings Today (RoBUST): New Methods in Biobehavioral Health Research, Detroit, MI.
8. *McCracken L, **Jacques-Tiura AJ**, *Doucet M, Anderson L. (2017, September). Alcohol consumption and stressful life experiences among college women. Poster presented at the 3rd Annual Fall Symposium of the WSU Researchers of Biobehavioral health in Urban Settings Today (RoBUST): Biobehavioral Health Interventions, Detroit, MI.
9. *Helmert BR, **Jacques-Tiura AJ**, Abbey A. (2017, September). Young men's alcohol consumption profiles: Personality, expectancies, and friends' pressure. Presented at the annual meeting of the Society for Advancement of Violence and Injury Research, Ann Arbor, MI.
10. **Jacques-Tiura AJ**, Naar S, MacDonell KK, Parsons JT. (2017, June). Preliminary feasibility of the Nailstat procedure vs. self-reported alcohol consumption among HIV+ adolescents in motivational enhancement therapy. Presented at the annual meeting of the Research Society on Alcoholism, Denver, CO.

11. *Helmert BR, **Jacques-Tiura AJ**, Abbey A, *Pegram SE, *Woerner J. (2017, April). A latent class analysis of male drinkers: Differences in drinking behaviors, personality traits, and alcohol expectancies. Presented at the annual meeting of Midwestern Psychological Association, Chicago, IL. (Also presented at the November 2016 Wayne State University Psychology Department Poster Day.)
12. *Helmert B, **Jacques-Tiura AJ**, Abbey A, *Woerner J, *Pegram S. (2017, January). Peer pressure contributes to young men's heavy drinking. Poster presented at the annual meeting of the Society for Personality and Social Psychology. (Also presented at the October 2016 2nd Annual RoBUST: Researchers of Biobehavioral health in Urban Settings Today Symposium on the Science of Team Science, Detroit, MI.)
13. *Menendez M, Brogan Hartlieb K, **Jacques-Tiura AJ**, Naar-King S. (2016, October). Investigating the relationship between subjective and objective exertion during a cardiovascular fitness test in minority youth with obesity. Poster presented at the annual meeting of the Academy of Nutrition and Dietetics' Food & Nutrition Conference & Expo.
14. **Jacques-Tiura AJ**, Greenwald MK, Naar-King S. (2015, October). Effects of body mass index and stress on food motivation: A behavioral economic experimental evaluation in African American adolescents. Poster presented at the first symposium of RoBUST: Researchers of Biobehavioral health in Urban Settings Today, Detroit, MI.
15. **Jacques-Tiura AJ**, Resko SM. (2014, June). Public perceptions of adolescents' alcohol use. Presented at the annual meeting of the Research Society on Alcoholism, Bellevue, WA.
16. *Yu, B., Chen, X., Li, S., Liu, Y., **Jacques-Tiura, A.J.**, & Yan, H. (2014, May). Mechanism of acculturative stress and influential factors among international students in China. Poster presented at the 26th Annual Convention of the Association for Psychological Science.
17. Brogan K, **Jacques-Tiura A**, Naar-King S, Ellis D, Jen K-LC. (2013, November). Continued emphasis on dietary quality is important for obese minority youth following a diet plan. Poster presented at the scientific meeting of The Obesity Society, Atlanta, GA.
18. *Mahajan AP, Brogan K, **Jacques-Tiura AJ**, Naar-King S, Ellis D, Jen K-LC. (2013, November). Obese minority youth may need more than 60 minutes of physical activity per day. Poster presented at the scientific meeting of The Obesity Society, Atlanta, GA.
19. Davis KC, **Jacques-Tiura AJ**, Stappenbeck CA, Danube CL, Morrison DM, Norris J, George WH. (2013, June). Alcohol intoxication effects on Theory of Planned Behavior constructs related to men's condom use resistance. Presented at the annual meeting of the Research Society on Alcoholism, Orlando, FL.
20. **Jacques-Tiura AJ**, Naar-King S, Carcone AI, Brogan KE, Albrecht T, Barton E. (2013, May). Using sequential analysis to predict motivation to change weight-related behaviors in a sample of African American caregivers of adolescents with obesity. Poster presented at the Association for Psychological Science annual convention, Washington, DC.

21. **Jacques-Tiura AJ**, Naar-King S, Carcone AI, Brogan KE, King P, Ellis DA. (2013, March). Caregivers' personal and neighborhood stressors decrease adolescents' weight-loss session attendance and healthy strategies. Poster presented at the Society of Behavioral Medicine's Stress & Obesity: Basic, Translational & Clinical Perspectives Workshop, San Francisco, CA.
22. **Jacques-Tiura AJ**, George WH, Heiman JR, Norris J, Davis KC. (2012, June). Alcohol, mental health, and sexual victimization affect women's mood and sexual affect in a hypothetical sexual scenario. Presented at the annual meeting of the Research Society on Alcoholism, San Francisco, CA.
23. Norris J, Stappenbeck CA, Kiekel PA, Morrison DM, George WH, Davis KC, Zawacki T, Abdallah DA, **Jacques-Tiura AJ**. (2012, June). Patterns of alcohol use and expectancies predict sexual risk taking in a community sample of social drinking women. Presented at the annual meeting of the Research Society on Alcoholism, San Francisco, CA.
24. *Nguyen HV, George WH, *Gilmore AK, Kajumulo KF, **Jacques-Tiura AJ**, Heiman JR, Norris J, Davis KC. (2012, June). Examination of the associations among childhood sexual abuse, trauma symptoms, and experiences of discrimination on drinking behaviors. Presented at the annual meeting of the Research Society on Alcoholism, San Francisco, CA.
25. *Gilmore AK, Davis KC, George WH, **Jacques-Tiura AJ**, *Nguyen HV, Norris J. (2011, June). The relationship among adult sexual assault, revictimization, and coping motives for sex and drinking. Poster presented at the annual meeting of the Research Society on Alcoholism, Atlanta, GA.
26. Wegner R, Abbey A, **Jacques-Tiura AJ**. (2010, January). Responses to sexual assault: Do some perpetrators regret what they did and learn from the experience? Poster presented at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
27. **Jacques-Tiura AJ**, Abbey A, Wegner R. (2010, January). Characteristics of sexual assaults and worst dates that do or do not involve alcohol consumption. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Las Vegas, NV.
28. Wegner R, Abbey A, **Jacques-Tiura AJ**, Tkatch R. (2009, April). Predictors of post-traumatic stress symptoms among survivors of sexual assault: Similarities and differences in African American and Caucasian women's experiences. Poster presented at the 81st Annual Midwestern Psychological Association Conference in Chicago, IL. (Also presented at the 2008 Wayne State University Psychology Department Poster Day where it received the Area award.)
29. **Jacques-Tiura AJ**, Abbey A. (2009, February). An integration of naturally occurring and laboratory based perceptions of sexual intent. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Tampa, FL.

30. **Jacques-Tiura AJ**, Tkatch R, Wegner R, Abbey A. (2008, February). To tell or not to tell: The relationships between disclosure and psychological health among sexual assault survivors. Poster presented at the American Psychological Association's Summit on Violence and Abuse in Relationships, Bethesda, MD.
31. **Jacques-Tiura AJ**, Oberleitner DE, Provenzano M, Tkatch R, McIntyre R. (2008, February). Chronicity and accessibility of sexual love and dominance on the attractiveness ratings of others. Poster presented at the annual meeting of the Society for Personality and Social Psychology, Albuquerque, NM.
32. **Jacques-Tiura AJ**, Tkatch R, Abbey A. (2007, November). Predictors of African American sexual assault survivors' mental and physical well-being. Poster presented at Wayne State University's President's Biennial Conference on Health Disparities, Detroit, MI.
33. **Jacques-Tiura AJ**, Tkatch R, Abbey A. (2007, June). Drinking problems following sexual assault victimization: The role of alcohol expectancies regarding disinhibition. Poster presented at the annual meeting of the Research Society on Alcoholism, Chicago, IL. (Also presented at the 2007 Wayne State University Psychology Department Poster Day where it received the Area award.)
