

CURRICULUM VITAE

Date of Preparation: June 25, 2024

Signature

Dionyssios (Dennis) Tsilimingras, M.D., M.P.H.

Office Address: Department of Family Medicine and Public Health Sciences
Wayne State University School of Medicine
3939 Woodward Avenue, Office 327
Detroit, Michigan 48201

Office Telephone: (313) 577- 5733

Office Fax Number: (313) 577- 3070

E-mail Address: dtsilimi@med.wayne.edu

EDUCATION

Master of Public Health Concentration: Health Services/Epidemiology Boston University School of Public Health, Boston, Massachusetts	1999-2001
Doctor of Medicine Wayne State University School of Medicine, Detroit, Michigan	1991-1995
Bachelor of Arts Major: Biological Sciences Wayne State University, Detroit, Michigan	1987-1991

POSTGRADUATE TRAINING

Certificate Program in Practice-Based Research Methods Fellow AHRQ Centers of Excellence in Primary Care Practice- Based Research Networks (P30)	2015-2016
Anesthesiology Resident Physician Detroit Medical Center-Sinai Hospital/Wayne State University Detroit, Michigan	1996-1997
Transitional Resident Physician St. John Hospital and Medical Center Detroit, Michigan	1995-1996

FACULTY APPOINTMENTS

Associate Professor (Research Educator) with tenure Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine, Detroit, Michigan.	2017-Present
Associate Professor (Research Educator) with tenure Department of Emergency Medicine, Wayne State University School of Medicine, Detroit, Michigan.	2021-2022
Assistant Professor (Research Educator Tenure Track), Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine, Detroit, Michigan.	2013-2017
Courtesy Assistant Professor, Department of Behavioral Sciences and Social Medicine, The Florida State University College of Medicine, Tallahassee, Florida.	2014-Present
Courtesy Assistant Professor, Division of Health Affairs, Department of Family Medicine and Rural Health, The Florida State University College of Medicine, Tallahassee, Florida.	2013-2014
Assistant Professor (Research Educator Tenure Track), Department of Family Medicine and Rural Health, The Florida State University College of Medicine, Tallahassee, Florida.	2009-2013

HOSPITAL OR OTHER PROFESSIONAL APPOINTMENTS

Interprofessional Faculty Champion of Michigan Area Health Education Center (MI-AHEC), Department of Family Medicine and Public Health Sciences, Wayne State University School of Medicine, Detroit, Michigan.	2020-Present
--	--------------

Co-Director of the Michigan Area Health Education Center (MI-AHEC) 2013-2020
Department of Family Medicine and Public Health Sciences,
Wayne State University School of Medicine, Detroit, Michigan.

Director of Patient Safety 2013-2017
Department of Family Medicine and Public Health Sciences,
Wayne State University School of Medicine, Detroit, Michigan.

Director of the Center on Patient Safety, 2009-2013
Division of Health Affairs,
Department of Family Medicine and Rural Health,
The Florida State University College of Medicine, Tallahassee, Florida.

Research Scientist, 2006-2008
Division of Translational Research & Clinical Epidemiology,
Department of Internal Medicine,
Wayne State University School of Medicine, Detroit, Michigan.

Research Health Scientist, 2001-2006
Center for Health Quality, Outcomes, & Economic Research,
Department of Veterans Affairs Center of Excellence,
Health Services Research & Development,
Bedford-Veterans Affairs Medical Center, and
Boston University School of Public Health, Boston, Massachusetts.

Assistant Researcher, 1997-1999
Department of Epidemiology,
The University of Michigan School of Public Health,
Ann Arbor, Michigan.

MAJOR PROFESSIONAL SOCIETIES

National Center for Faculty Development and Diversity 2019-Present

Academy for Health Services Research and Health Policy 2009-Present

Society for Medical Decision Making 2010-2015

American Public Health Association 2012-2014

HONORS/AWARDS

MPH Student, Avis Randle,* received the John B. Waller, Jr., Ph.D. and Menthele Waller Endowed Scholarship for MPH <i>*Avis Randle is my academic advisee for the MPH program</i>	2019
Promotion to Associate Professor with tenure Department of Family Medicine & Public Health Sciences Wayne State University School of Medicine	2017
Invited by the Italian Association of Quality Management and Patient Safety and the University of Verona as “Faculty Member” to Lecture on “Patient Safety Implications for the Elderly” at the Patient Safety Conference in Verona, Italy <i>*this was the second Verona Patient Safety Conference organized a decade later to address innovations in patient safety since the first Verona Patient Safety Conference in 2005.</i>	2015
Best Oral Presentation in “Research” by a Faculty, State of Michigan Family Medicine XXXVIII Research Conference	2015

SERVICE

Wayne State University

Departmental

Member, Faculty Search Committee, Tenured Physician-Scientist	2022-Present
Chair, Admissions Committee, Master of Public Health Program	2022-Present
IRB Signatory, Department of Family & Public Health Sciences	2020-Present
Member, Promotion and Tenure Committee	2017-Present
Member, Selective Salary Committee (merit review for all represented faculty)	2017-Present
Member, Annual Review Process (for represented, non-tenured faculty)	2017-Present
Member, MPH Program Master’s Scholarship Review Committee	2016-Present
Podium Presentation Judge for Family Medicine Residents 22 nd Annual Research Day, Crittenton Hospital and Medical Center	2016
Member, Admissions Committee, Master of Public Health Program	2015-2022

Member of the “Task Force for Quality Improvement and Safety” for Graduate Medical Education, Crittenton Hospital and Medical Center	2014-2015
Podium Presentation Judge for Family Medicine Residents 20 th Annual Research Day, Crittenton Hospital and Medical Center	2014
Co-Director, Executive Operations Group, Michigan Area Health Education Center	2013-Present
Co-Director, Steering Group, Michigan Area Health Education Center	2013-Present
School of Medicine	
Member, Budget Advisory Committee	2024-Present
Member, School of Medicine Admissions Committee	2018-Present
Member, Diversity Advisory Council	2015-Present
Member, Physician Panel for Diversity & Inclusion Perspectives Portion of the Year 1 Medical Student Orientation	2015
Member, Diversity Task Force Committee	2015
University	
Chair, Facilities and Configuration Committee, for the development of a Wayne State University School of Public Health	2023-Present
Member, Community/Public Health Faculty Search Committee, Provost Office	2020
Chair, Interprofessional Educational Curriculum Committee	2018-present
Member, Interprofessional Educational Curriculum Committee	2015
State of Michigan	
Chair, 46 th Annual Michigan Family Medicine Research Day	2023-2024
Judge, 45 th Annual Michigan Family Medicine Research Day	2023
Member, Executive Advisory Board, Michigan Area Health Education Center	2022-Present
Abstract Reviewer, Summit on Quality Improvement and Patient Safety	2019-2020

Member, Summit Planning Committee, Summit on Quality Improvement and Patient Safety	2019-2020
Member, Evaluation Committee, Summit on Quality Improvement and Patient Safety	2019-2020
Member, Evaluation Committee, Michigan Area Health Education Center	2019-Present
Podium and Poster Presentation Judge for Summit on Quality Improvement and Patient Safety	2018
Podium and Poster Presentation Judge for Summit on Quality Improvement and Patient Safety	2017
Podium and Poster Presentation Judge for “Inaugural” Michigan Summit on Quality Improvement and Patient Safety	2016
Member, Board of Trustees, Michigan Health Council	2014-Present
Member, Board of Directors, Michigan Primary Care Consortium	2013-2019
Co-Director, Regional Center Group, Michigan Area Health Education Center	2013-present
Co-Director, Advisory Board, Michigan Area Health Education Center	2013-2015
Co-Director, Hosting Academic Partners, Michigan Area Health Education Center	2013-2015
Co-Director, Executive Advisory Board, Michigan Area Health Education Center	2013-2015
Facilitator, Education to Practice (E2P) Interprofessional Education Committee, Michigan Health Council / Michigan Area Health Education Center	2013-2015
Member, Primary Care Office Core Advisory Group, Michigan Department of Community Health	2013-2015
International	
Member, European Society of Emergency Medicine (EUSEM) Quality and Safety in Emergency Medicine Working Group (EQSEMWG)	2022-Present

The Florida State University

College of Medicine

Member of the “Library and Learning Resources Committee”	2011-2013
Learning Community Advisor for First Year and Second Year Medical Students	2010-2013
Chair, “Curriculum Subcommittee” (including 14-faculty members)* <i>*developed 4-year patient safety curriculum</i>	2010-2013
Member of the Task Force for, “Practice Based Learning and Improvement,” Accreditation Counsel for Graduate Medical Education competency	2009
Member of the Task Force for, “Systems Based Practice,” Accreditation Counsel for Graduate Medical Education competency	2009
Chair, “Curriculum Subcommittee for ED-20 accreditation standard” on the educational program for the M.D. Degree of Liaison Committee on Medical Education (LCME)	2009

University

Member of the “Faculty Senate Library Committee”	2011-2013
Member of the “Scholarly Communications Task Force”	2011-2013
“Faculty Senator:” one of four elected senators representing the College of Medicine in the Florida State University faculty senate	2010-2012

State of Florida

Founding member and Chair of the “The Florida Medical School Committee on Patient Safety Curriculum Activities” (FMSCOPSCA) for Undergraduate Medical Education.	2010-2013
Minority Association of Premedical Students of The Florida State University	2013

Professional

National Society Reviewer of Abstracts for Podium and Poster Presentations and Membership

2 nd Society for Medical Decision Making Asia-Pacific Conference, Shatin, New Territories, Hong Kong	2015
36 th Annual Meeting of the Society for Medical Decision Making, Miami, FL	2014
1 st Society for Medical Decision Making Asia-Pacific Conference, Singapore	2014
35 th Annual Meeting of the Society for Medical Decision Making, Phoenix, AZ	2013
Member of the National Injury Control and Emergency Health Services (ICEHS) Section of the American Public Health Association (APHA)	2012-2015
34 th Annual Meeting of the Society for Medical Decision Making, Baltimore, MD	2012
Scientific Advisory Board Member, Florida Neonatal Neurologic Network	2010-2012
Local Membership	
Patient Safety Committee Tallahassee Memorial Hospital, Tallahassee, Florida	2009-2010
Community	
Media Interviews	
Tampa Bay Times Hospital Reporting of Adverse Events in the State of Florida	2018
Rolling Stones Magazine Medical Errors and Adverse Events	2017

Educational Outreach Presentations	
Presentation at the Michigan Primary Care Consortium	2014
Member, Community Advisory Board, Southeast Michigan Area Health Education Center (MI-AHEC) Regional Center	2013-Present
Consulting	
Optimizing Patient Safety through Competency Training of Nursing Home Medical Providers, Florida State University College of Medicine Department of Geriatrics <i>*to assist in completing a grant funded by the Florida Medical Malpractice Joint Underwriting Association</i>	2018

Johns Hopkins University Hospitals 2015
**to assist in the development of a video that would address interventions for healthcare professionals to reduce/prevent hospital readmissions as a result of postdischarge adverse events*

U Compare Health Care (UCHC)*, Boston, Massachusetts 2005-2006
**UCHC is a company that I assisted in preparing US hospital quality of care data for patient hospital selection*

The Council of Healthcare Advisors - Gerson Lehrman Group, New York, New York 2004

Scholarly Service

Grant Review Committees

Agency for Healthcare Research and Quality (AHRQ), Washington DC: Member of the Health Care Effectiveness & Outcomes Research (HEOR) Study Section 2014-Present

Agency for Healthcare Research and Quality (AHRQ), Washington DC: Member of AHRQ Special Reviewer Panel (HS14-07) Patient-Centered Outcomes Research (PCOR) for “Deliberative Approaches: Patient and Consumer Input for Implementing Evidence-Based Health Care (R21) 2014

Agency for Healthcare Research and Quality (AHRQ), Washington DC: Invited as ad hoc reviewer for the Health Care Research Training (HCRT) Study Section* 2013
**due to a conflict with having two members from the same department invited to review for this section, I was not allowed by the study section program officer to review grants for this section*

Agency for Healthcare Research and Quality (AHRQ), Washington DC: Member of the AHRQ Special Reviewer Panel (HS12-08) for National Research Service Awards (NRSA) Institutional Research Training Grants (T32) 2012

Service for Peer-Reviewed Journals

Editorial Board Membership

Family Medicine Leaflets Journal 2016-Present

Public Health – Open Journal 2015-Present

Journal of General Practice and Medical Diagnosis* (New York) 2014-Present
**includes review of 1-2 manuscripts per year*

Journal of Community Medicine and Public Health Care* (New York) 2014-Present
**includes review of 5-6 manuscripts per year*

Journal of Family Medicine & Community Health* (San Diego, California) 2013-Present
**includes review of 1-2 manuscripts per year*

Austin Journal of Clinical Medicine* (Melbourne, Australia) 2013-Present
**includes review of 1-2 manuscripts per year*

Ad hoc reviewer for the following journals

British Medical Journal Quality & Safety	2018-Present
Journal of General Internal Medicine	2016-Present
Journal of Geriatric Medicine and Gerontology	2016-Present
Journal of the American Geriatrics Society	2015-Present
Journal of the American Board of Family Medicine	2014-Present
Contemporary Clinical Trials	2012-Present
Hospital Practice	2011-Present
Journal of Patient Intelligence	2010-Present
Journal of Patient Safety	2009-Present

Review of Evidence Reports

Peer Reviewer (Invited), University of California San Francisco – Stanford University Evidence Based Practice Center evidence report on the Agency for Healthcare Research & Quality (AHRQ) Hospital Patient Safety Indicators 2002

Other Scholarly Service

Michigan Health Council - MiLES Award Application Review committee 2019
**Michigan Loan Reimbursement & Employment Solutions (MiLES) is a program that provides loan repayment to resident physicians in exchange for 2-year post-residency service commitment in a medically underserved area in Michigan.*

Faculty Member and Scientific Session Lecturer, Patient Safety Conference, Verona, Italy 2015

TEACHING

Wayne State University

Teaching at Wayne State University

Medical students

Director, **Special Topics: Interprofessional Education (IPE) MD 8115** 2021-Present
**This course includes health professional students from medicine, nursing, Pharmacy/physician assistant, and social work across the university*

Co-Director, **AHEC Scholars Year 1** 2020-Present
**Michigan Area Health Education Center (AHEC)*

Co-Director, **AHEC Scholars Practice Transformation** 2019-2020
**Michigan Area Health Education Center (AHEC)*

Instructor, **Translational Medicine**, Year 2 medical school short course 2018

Graduate (Master of Public Health) students

Faculty, Master of Public Health Program 2014-Present

Director, **FPH 7780 Emerging Topics: Patient Safety & Public Health** 2021-Present

Co-Director, **FPH 7510 – Leadership in Population Health** 2020-2021

Independent Reader, **FPH 8990 – MPH Project Course** 2019

Juwon Yim*

Research Paper Title: Optimizing Vancomycin Therapy in Pediatrics to Combat Serious Public Health Threats: Review of Current Literature

**student name*

Visiting Professor, **FPH 7210 - Research Methods for Health Professionals: Qualitative Research Methods.** 2014-2016

Independent Reader, **FPH 8990 - MPH Project Course** 2014

Tanya Troy*

Research Paper Title: Advance Directives in an Older African American Population: What are the Attitudes and Barriers to Completion?

A Pilot Study

**student name*

Independent Reader, FPH 8990 - MPH Project Course Mayan Ajamoughli* Research Paper Title: Association between chronic diseases and post-migration stress among Iraqi refugees in southeast Michigan <i>*student name</i>	2013
Undergraduate (Public Health) students	
Public health practicum mentor for professional networking and teamwork	2020-Present
Visiting Professor, PH 4100/4150 – Public Health Principles and Practice	2017
Faculty	
Global Health Research Collaborative (GHRC) workshop <i>*Was invited by the GHRC to lecture on <u>Quality and Patient Safety</u> and provide mentoring/advising on quality and patient safety grant preparation for international physician attendees of the workshop</i>	2022-Present
Organized and directed the “Department of Veterans Affairs and Michigan Area Health Education Center Mental Health Michigan Conference.”* <i>*This conference provided continuing education to healthcare professionals (physicians, nurse practitioners, social workers, and dentists)</i>	2014
Director, Faculty Journal Club, Division of Translational Research & Clinical Epidemiology, Department of Internal Medicine	2007-2008
Years at other universities	
Teaching at The Florida State University	
Undergraduate students	
Lecturer, Biology BSC4900 93 - research directed study on adverse event prevention	2012
Medical students	
Lecturer, Doctoring 1 Course (first year medical students): small group discussion and clinical skills instruction	2010-2013
Lecturer, Health Issues in Medicine Course (second year medical students): 3-lectures on healthcare quality and patient safety	2009-2012

Lecturer, Doctoring 3 Course (third year medical students): on medical examination principles	2010
Lecturer, Health Issues in Medicine Course (second year medical students): lecture on research study design for population studies	2009
Faculty (CME)	
Director, Faculty Journal Club, Department of Family Medicine and Rural Health	2009-2013
Adverse events and medical errors	2011
The occurrence of adverse events and medical errors	2010
Grand rounds oral presentation	
The occurrence of adverse events during a hospitalization and after discharge from the hospital. Oral presentation given for the Department of Medical Humanities & Social Sciences	2009
Academic Advising	
Wayne State University	
Graduate students	
Diana Hanko, completing MPH program requirements	2024-Present
Ayushi Garg, completing MPH program requirements	2024-Present
Fatemeh Akhouni, completing MPH program requirements	2024-Present
Rabia Bokhari, completing MPH program requirements	2024-Present
Noor Subhani, completing MPH program requirements	2023-Present
Taqwa Khallaf, completing MPH program requirements	2023-Present
Mercedes Pace, completing MPH program requirements	2023-Present
Evangelia Korogiannis, completing MPH program requirements	2023-Present
Shaurel Valburn, completing MPH program requirements	2023-Present

Vineeth Manam, completing MPH program requirements	2023-Present
Saba Salma Lnu, completing MPH program requirements	2023-2024
Saad Ahmed Khan Lnu, completing MPH program requirements	2023-2024
Mohammad Hamza Azam, completing MPH program requirements	2022-2023
Nicole Jarecki, completed MPH program requirements	2022-2023
Hazera Begum, completed MPH program requirements	2021-2023
Lauren Vanderwal, completed MPH program requirements	2021-2023
Janice Regulus, completed MPH program requirements	2021-2023
Khushboo Agarwal, completed MPH program requirements	2021-2023
Zara Vahidy, completed MPH program requirements	2020-2023
Varun Vohra, completed MPH program requirements	2020-2023
Dana Alnahas, completed MPH program requirements	2020-2022
Lena Lewis, completed MPH program requirements	2021-2022
Maya Burgard, completed MPH program requirements	2020-2022
Urja Shah, completed MPH program requirements	2020-2022
Siddarth Tirumala, completed MPH program requirements	2020-2022
Corey Medler, completed MPH program requirements	2019-2021
Laurel Johnson, completed MPH program requirements	2017-2019
Ayeshah Sarfaraz, completed MPH program requirements	2017-2019
Sean Hancock, completed MPH program requirements	2017-2019
Neil Dharia, completed MPH program requirements	2017-2019
Maryam Al-Ubaidi, completed MPH program requirements	2016-2019
Avis Randle, completed MPH program requirements	2016-2019

Daisuke Kobayashi, completed MPH program requirements	2015-2019
Miguel Barajas, completed MPH program requirements	2015-2019
Dhafer Salem, successfully completed MPH program requirements	2015-2018
Prameeta Jha, successfully completed MPH program requirements	2015-2016
Anurag Dawadi, successfully completed MPH program requirements	2015-2016
Sana Khan, successfully completed MPH program requirements	2015-2016
Timothy Jelsema, successfully completed MD/MPH program requirements	2015-2016
Alemu Fite, successfully completed MPH program requirements	2015-2016

Mentorship

Wayne State University

Graduate students

William Costello, successfully completed the MPH Project and Manuscript	2018-2019
Miguel Barajas, successfully completed the MPH Project and Manuscript	2018
Dhafer Salem, successfully completed the MPH Project and Manuscript	2017-2018
Rachel Gough, successfully completed a Michigan Area Health Education Center (MI-AHEC) semester internship	2016
Sana Khan, M.D., successfully completed the MPH program practicum through the Michigan Area Health Education Center (MI-AHEC)	2016
Anurag Dawadi, successfully completed the MPH program practicum through the Michigan Area Health Education Center (MI-AHEC)	2015
Rabita Mahaseth, successfully completed the MPH program practicum through the Michigan Area Health Education Center (MI-AHEC)	2014

Medical students

Maria Tjilos, completing a research project to identify adverse events in African-American patients transitioning from the emergency department to the inpatient setting	2023-present
--	--------------

Nadeem Dhirani, successfully completed literature searches for a manuscript on post-discharge adverse drug events	2017
Aniruddha Paranjpe, successfully completed patient safety and quality of care research methods mentoring	2014-2016
Timothy Jelsema, successfully completed research methods mentoring	2015-2016
Residents/Fellows	
Christina Ogidan, M.D., mentored on patient safety and quality of care research methods. Department of Family Medicine and Public Health Sciences, Rochester Family Medicine Residency Program, Rochester, Michigan, Crittenton Hospital and Medical Center	2013
Chad Rosen, M.D., mentored on patient safety and quality of care research methods. Department of Family Medicine and Public Health Sciences, Rochester Family Medicine Residency Program, Rochester, Michigan, Crittenton Hospital and Medical Center	2013
Ian Hanson, M.D., mentored in clinical epidemiologic/health services research methods, grant writing, and manuscript writing. Division of Translational Research & Clinical Epidemiology, Department of Internal Medicine	2006-2008
N. Penugonda, M.D., mentored in clinical epidemiologic/health services research methods, grant writing, and manuscript writing. Division of Translational Research & Clinical Epidemiology, Department of Internal Medicine	2006-2008
S.K. Gabreselassie, M.D., mentored in clinical epidemiologic/health services research methods, grant writing, and manuscript writing. Division of Translational Research & Clinical Epidemiology, Department of Internal Medicine	2006-2008
Faculty	
Global Health Research Collaborative (GHRC) workshop <i>*Was invited to mentor/advise on quality and patient safety grant preparation for international physician attendees of the workshop</i>	2022-Present
Vijaya Arun Kumar, M.D., M.P.H., mentoring on emergency department patient safety research methods. Director of Research for Harper University Hospital, Department of Emergency Medicine	2021-Present

James Paxton, M.D., mentoring on emergency department patient safety
Research methods. Director of Research for Detroit Receiving Hospital
Department of Emergency Medicine 2020-Present

Ross Mayerhoff, M.D., mentoring on patient safety and quality improvement
research methods. Medical Director, Voice and Swallowing Center
Department of Otolaryngology-Head and Neck Surgery 2015-2016

Mark Britton, M.D., mentored in clinical epidemiologic/health services
research methods, grant writing, and manuscript writing.
Division of Translational Research & Clinical Epidemiology,
Department of Internal Medicine 2006-2008

High School Students

Tiana Law, successfully completed the BCAP. 2018

Danaejha Savage, successfully completed the BCAP. 2018

Noria Peeples, successfully completed the BCAP. 2017

**The BCAP (Biomedical Career Advancement Program)
is a 6-week summer program through the Wayne State
University School of Medicine to expose Detroit public high school
minority students to biomedical research.*

The Florida State University

Undergraduate students

Michael Minichiello, pre-medical student, R01HS018694
AHRQ Grant on Identifying Adverse Events after
Discharge from a Community Hospital 2012

Medical students

Kulvir Nandra, medical student, for the 2-year duration of his
Federal R01HS018694 AHRQ Grant on Identifying Adverse
Events after Discharge from a Community Hospital 2011-2013

Neeke Akhavan, medical student, summer research
fellowship on patient safety 2012

Medical Student Journal Club* 2009-2012
**medical literature critiques on methods and results*
Residents/Fellows

Jessica Bishop-Royse, Ph.D., Post-doctoral Fellow in Patient Safety Research, for the 2-year duration of his Federal R01HS018694 AHRQ Grant on Identifying Adverse Events after Discharge from a Community Hospital 2011-2013

Faculty

Nadira Bakhadirova Muratova, M.D., Ph.D.,* 2010-2011
completed a 12-month fellowship on patient safety research methods.
Dr. Muratova is currently initiating patient safety efforts in her homeland.
**Fulbright Scholar from Uzbekistan*

Dissertation Committees

Wayne State University School of Medicine

Amanda Deriemacker, graduate student (Ph.D. candidate) at the Wayne State University College of Nursing 2019-2020
Thesis Title: Social determinants associated with post-discharge adverse events among Neonatal Intensive Care Unit neonates
Role: Committee Member (Advisor: Wanda Gibson-Scipio, Ph.D., Associate Professor, Wayne State University College of Nursing)

Course or curriculum development

Wayne State University School of Medicine

Global Health Research Collaborative (GHRC) workshop 2022-Present
**Prepared all quality and patient safety content for the workshop*

Director, **FPH 7780 Emerging Topics: Patient Safety & Public Health** 2020-Present
**an MPH 3-credit elective course*

Chair, **University-wide Interprofessional Curriculum Development Committee** 2018-Present
**designed an inter-professional course across all WSU health professional Schools (medicine, nursing, pharmacy, and social work) with approval from the Provost*

Co-Director, **FPH 7510 – Leadership in Population Health** 2019-2021
**designed a course primarily for primary care residents and practicing physicians*

Co-Director, **AHEC Scholars Practice Transformation** 2019-2020
**designed a practice transformation curriculum for health professional students*

Visiting Professor, **PH 4100/4150 – Public Health Principles and Practice** 2017
**designed a lecture on the Michigan Area Health Education Center*

Visiting Professor, FPH 7210 – Research Methods for Health Professionals* <i>*designed, directed, and implemented 3-lectures (modules) on qualitative research methods</i>	2014-2016
Director, MPH/MI-AHEC program practicum* <i>*designed a curriculum for MPH students to rotate through the Michigan Area Health Education Center (MI-AHEC)</i>	2014-2016
Director, MPH/MI-AHEC program internship* <i>*designed a curriculum for MPH students to work on MI-AHEC projects.</i>	2016
The Florida State University College of Medicine	
Chair, Curriculum Subcommittee (including 14-faculty members) * <i>*developed a 4-year patient safety curriculum</i>	2010-2013

GRANTS, CONTRACTS, AND OTHER FUNDING

Active National/International Grants and Contracts

(2007) A multi-component quality of care score predicts longitudinal Blood pressure responses and hypertension control in a hypertensive cohort. Poster presented at the American Heart Association 8th Scientific Forum on Quality and Outcomes Research in Cardiovascular Disease and Stroke, Washington D.C.
35. Potu S, Britton M, **Tsilimingras D**, Yoo W, Quah R, Lai Z, Liu X, Nasser SA, Goel A, Dews P, Flack JM. (2007) The Effect of COX-2 Selective NSAIDs on Longitudinal Blood Pressure Change According to the Level of Kidney Function. Poster presented at the American Society of Hypertension Scientific Meeting, Chicago, Illinois.
36. Vogel WB, Berlowitz DR, **Tsilimingras D**, Hoenig HM, Young LJ, Cowper DC, Duncan PM. (2007) Function-Based Risk Adjustment in Statistical Models: Systems vs. Components. Poster presented at VA HSR&D National Meeting, Arlington, VA.
37. Gabreselassie SK, Lai Z, Ohmit S, **Tsilimingras D**, Nasser S, Dews P, Britton M, Flack JM. (2006) Factors influencing blood pressure level and diurnal blood pressure variation in patients with complex hypertension. Poster presented at the American Heart Association 7th Scientific Forum on Quality and Outcomes Research in Cardiovascular Disease and Stroke, Washington D.C.

38. Berlowitz D, **Tsilimingras D**, Vogel B, Duncan P, Loveland S, Hoening H. (2006) Using ACGs/DCGs for Stroke Rehabilitation Outcomes. Poster presented at VA HSR&D Annual Meeting, Washington D.C.
39. Christiansen CL, Rivard P, **Tsilimingras D**, Zhao S, Loveland S, Rosen AK. (2005) Using Patient Safety Indicators to Identify VA Outlier Hospitals: A Picture is Worth 1000 Statistics. Poster presented at the Academy Health Meeting, Boston, Massachusetts.
40. Loveland S, Rivard P, Zhao S, **Tsilimingras D**, Christiansen CL, Elixhauser A, Romano P, Rosen AK. (2005) Evaluating the Patient Safety Indicators (PSIs): How Well Do They Perform on VA Data? Poster presented at the Academy Health Meeting, Boston, Massachusetts.
41. Christiansen CL, Rivard P, **Tsilimingras D**, Zhao S, Loveland S, Rosen AK. (2005) Using Patient Safety Indicators to Identify VA Outlier Hospitals: A Picture is Worth 1000 Statistics. Poster presented at the VA HSR&D Annual Meeting, Washington D.C.
42. Rivard P, Zhao S, Loveland S, Luther S, Christiansen CL, **Tsilimingras D**, Elixhauser A, Rosen AK. (2004) Estimating Increased Mortality, Cost, and Length of Stay Associated with Potential Safety Events in the Veterans Health Administration. Poster presented at the Academy Health Conference, San Diego, California.
43. Zhao S, Elwy AR, Loveland S, **Tsilimingras D**, Elixhauser A, Romano P, Rivard P, Rosen AK. (2004) Patient Safety Indicators: Comparing Rates in VA and Non-VA Settings. Poster presented at VA HSR&D Annual Meeting, Washington D.C.
44. Rivard P, Zhao S, Loveland S, Luther S, Christiansen CL, **Tsilimingras D**, Elixhauser A, Rosen A. (2004) Estimating Increased Mortality, Cost, and Length of Stay Associated with Potential Safety Events in the Veterans Health Administration. Poster presented at the VA Senior Management Conference, Washington D.C.
45. Rosen A, Wang F, Mukamel D, Kader B, **Tsilimingras D**, Bajorska A, Berlowitz D. (2003) Using Risk-Adjusted Outcomes to Measure Quality of Care in Nursing Homes: Comparing Outcomes of Veterans Across Different Types of Settings. Poster presented at the Gerontological Society of America's (GSA) Annual Scientific Meeting, San Diego, California.
46. Elwy AR, Zhao S, Loveland S, **Tsilimingras D**, Elixhauser A, Geppert J, Rosen AK. (2003) Identifying Patient Safety Indicators from Administrative Data. Poster presented at the Academy Health Meeting, Nashville, Tennessee.

Invited Lectures/Presentations

National/international

47. **Tsilimingras D.** (October 2022) Clinical interventions to reduce adverse events in patients transitioning from the ED to the inpatient setting. European Society for Emergency Medicine Quality and Safety Working Group, Berlin, Germany. I was able to attend this meeting via ZOOM.

48. **Tsilimingras D.** (June-August 2022) Quality and Patient Safety. Global Health Research Collaborative (GHRC), Wayne State University School of Medicine, Detroit, Michigan.

Local/regional

49. **Tsilimingras D.** (August 2020) Adverse events for patients that transition from the emergency department to the inpatient setting. Think Tank meeting, Department of Emergency Medicine, Wayne State University School of Medicine, Detroit, Michigan.

50. **Tsilimingras D.** (March 2018) Multi-Institutional/ FQHC Educational Model. Interprofessional Education Committee, Wayne State University, Detroit, Michigan.

51. **Tsilimingras D.** (2017) Postdischarge Adverse Events Among Urban and Rural Patients of an Urban Community Hospital: A Prospective Cohort Study. Department of Family Medicine, Michigan State University College of Human Medicine, Grand Rapids, Michigan.

52. **Tsilimingras D.** (2016) Postdischarge Adverse Events among NICU Neonates. Department of Pediatrics, Division of Neonatal-Perinatal Medicine, Children's Hospital of Michigan and Hutzel Women's Hospital, Wayne State University School of Medicine, Detroit, Michigan.

53. **Tsilimingras D.** (2015) Postdischarge Adverse Events Among Urban and Rural Patients of an Urban Community Hospital: A Prospective Cohort Study. Department of Family Medicine and Public Health Sciences Research Team Science Seminar, Wayne State University School of Medicine, Detroit, Michigan.

54. **Tsilimingras D.** (2015) Postdischarge Adverse Events Among Urban and Rural Patients of an Urban Community Hospital: A Prospective Cohort Study. Faculty Presenter for The Michigan Family Medicine Research Day Conference, Cleary University, Howell, Michigan.

55. **Tsilimingras D.** (2015) Postdischarge Adverse Events Among Urban and Rural Patients of an Urban Community Hospital: A Prospective Cohort Study. Keynote presentation for Resident Research Day, Crittenton Medical Center, Department of Family Medicine & Public Health Sciences, Wayne State University School of Medicine, Rochester, Michigan.
56. **Tsilimingras D.** (2014) The Michigan Area Health Education Center. Lecture given at the Michigan Primary Care Consortium (MPCC), Lansing, Michigan.
57. **Tsilimingras D.** (2014) Identifying Adverse Drug Events After Discharge Discharge from a Community Hospital. Lecture given at the Department of Family Medicine and Public Health Sciences/Wayne State University School of Medicine, Detroit, Michigan.
58. **Tsilimingras D.** (2011) The development of the Florida State University College of Medicine patient safety curriculum. Lecture given at The Florida Medical School Committee on Patient Safety Curriculum Activities at the University of Central Florida College of Medicine, Orlando, Florida.
59. **Tsilimingras D.** (2011) Developing a comprehensive 4-year patient safety curriculum for medical students. Lecture given for the Department of Clinical Sciences, Florida State University College of Medicine, Tallahassee, Florida.
60. **Tsilimingras D.** (2009) The occurrence of adverse events and medical errors. Lecture given at the Capital Medical Society, Tallahassee, Florida.
61. **Tsilimingras D.** (2009) The occurrence of adverse events during a hospitalization and after discharge from the hospital. Lecture given for the Department of Medical Humanities & Social Sciences, Florida State University College of Medicine, Tallahassee, Florida.
62. **Tsilimingras D.** (2008) The occurrence of adverse events during a hospitalization and after discharge from the hospital. Lecture given at the Health Services Research & Development, Center on Excellence, Ann Arbor VA Medical Center/University of Michigan Medical School, Ann Arbor, Michigan.
63. **Tsilimingras D.** (2007) The occurrence of adverse events during a Hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at Fellowship Conference Series, Harper University Hospital, Department of Internal Medicine/Wayne State University School of Medicine, Detroit, Michigan.

64. **Tsilimingras D.** (2007) The occurrence of adverse events during a hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at the Center for Urban and African American Health, Department of Internal Medicine/Wayne State University School of Medicine, Detroit, Michigan.

65. **Tsilimingras D.** (2006) The occurrence of adverse events during a Hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at the Hospitalist Physician Group, Detroit Receiving & Harper University Hospital, Wayne State University School of Medicine, Detroit, Michigan.

66. **Tsilimingras D.** (2005) Validating AHRQ Patient Safety Indicators with the the VA NSQIP Postoperative Adverse Events. Lecture given at the Department of Internal Medicine/Wayne State University School of Medicine, Detroit, Michigan.

Invited Seminars and Grand Rounds

67. **Tsilimingras D.** (2016) Patient safety. Lecture given at Grand Rounds, Department of Otolaryngology-Head and Neck Surgery/Wayne State University School of Medicine, Detroit, Michigan.

68. **Tsilimingras D.** (2015) Michigan Area Health Education Center. Presentation given for the Diversity Task Force at the Wayne State University School of Medicine, Detroit, Michigan.

69. **Tsilimingras D.** (2015) Postdischarge adverse events among urban and rural rural patients of an urban community hospital: a prospective cohort study. Keynote presentation at the Crittenton Medical Center Family Medicine Research Day. Wayne State University School of Medicine, Detroit, Michigan.

70. **Tsilimingras D.** (2011) Adverse events and medical errors. Lecture given at the Florida State University College of Medicine grand rounds meeting, Tallahassee, Florida.

71. **Tsilimingras D.** (2010) The occurrence of adverse events and medical errors. Lecture given at the Florida State University College of Medicine grand rounds meeting, Tallahassee, Florida.

72. **Tsilimingras D.** (2007) The occurrence of adverse events during a hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at Fellowship Conference Series, Harper University Hospital, Department of Internal Medicine/Wayne State University School of Medicine, Detroit, Michigan.

73. **Tsilimingras D.** (2007) The occurrence of adverse events during a hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at the Center for Urban and African American Health, Department of Internal Medicine/Wayne State University School of Medicine, Detroit, Michigan.

74. **Tsilimingras D.** (2006) The occurrence of adverse events during a hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at Grand Rounds, Department of Internal Medicine/Wayne State University School of Medicine, Detroit, Michigan.

75. **Tsilimingras D.** (2006) The occurrence of adverse events during a hospitalization and after discharge from the hospital in internal medicine patients. Lecture given at the Hospitalist Physician Group, Detroit Receiving & Harper University Hospital, Wayne State University School of Medicine, Detroit, Michigan.
